

## **Resolution of Determination for Santa Rosa High School New Agricultural Facility**

It shall be determined by the Santa Rosa City School District Board of Education, that the proposed new Santa Rosa High School Agriculture Facility, which shall replace the facility destroyed by the 2017 Tubbs Fire on the same site, located at 4260 Alba Lane, Santa Rosa, California is considered to be a teaching and educational facility (classroom facility) for benefit of District students in the Agriscience and Animal Science pathway program at Santa Rosa High School. It is further resolved that, in accordance with California Government Code Section 53094, shall this resolution be approved by a two-thirds vote of the members of the Governing Board of Santa Rosa City School Board of Education, it renders a city or county zoning ordinance inapplicable to the proposed use of property by the school district.

See attached **exhibit A** for site/floor plan of proposed Agriculture Facility.

By a vote of, \_\_\_\_\_, by the Board on this date, \_\_\_\_\_, this Resolution of Determination for the Santa Rosa High School New Agricultural Facility is adopted.

**PASSED AND ADOPTED** by the Board of Education of the Santa Rosa City Schools on August 14, 2019.
