SRCS – Keysight Relationship

Relationship dates back to the 1990's

Satellite Campus opened in 1993

Addressed overcrowding and provided local campus for Keysight employees' students

Moving Forward

Mutual Interest to continue SRCS / Keysight relationship

```
graph TD; A[Mutual Interest to continue SRCS / Keysight relationship] --> B[Childcare facility regardless of educational program at site]; B --> C[New childcare facility ready for students – 2020-21 School Year (Keysight Enrollment Priority)]
```

Childcare facility regardless of educational program at site

New childcare facility ready for students – 2020-21 School Year
(Keysight Enrollment Priority)

Overall Feedback

60 Online Responses covering a broad range of uses

```
