Project Title: San Mateo Union High School District New Alternative High School - Revised Design (IS Addendum)

Project Applicant: San Mateo Union High School District

Project Location (include county): 860 Hinkley Road, Burlingame, CA

Project Description:

The SMUHSD previously approved an Alternative High School for this site. The site was subsequently mapped by FEMA as being in a flood hazard zone, requiring raising the buildings and other minor modifications to the project. Specifically, the maximum building heights have been raised from 26 feet to 32 feet above the ground level and the number of parking spaces has been reduced from 32 spaces to 25 spaces. Total building area has increased slightly, from 14,940 sq. ft. to 15,400 sq. ft. An Addendum was prepared to the previously approved IS/MND, and found no new impacts or mitigation measures.

This is to advise that the San Mateo Union High School District has approved the above
