Subject: PVPUSD Measure M Parcel Tax Oversight Committee

Hi Keith / Gretchen,

It has become apparent that I am not able to continue my participation with the Measure M Parcel Tax Oversight Committee due to other commitments and responsibilities, primarily the opening of my own business last year and the time commitments that make it difficult to keep up with the Committee meetings, even as infrequent as they are. The Committee and District would be better served by someone who can take the time and commitment to attend meetings, review the documents provided, and give meaningful input.

Please let me know the process that would be needed to officially resign my position on the committee so you can have the paperwork necessary to fill the spot sooner than later.

It has been a pleasure to serve on the Committee through the years, and I know its members will continue to be a valuable asset to our District.

Best,

Joe Litchfield
