The Measure shall be summarized in the following form, and the County of Santa Clara Registrar of Voters is requested to cause this summary of the Measure to appear on the ballot:

To continue excellent education for all local public elementary and junior high school students; maintain outstanding core academics, innovative science, technology, engineering and math programs; and attract and retain highly qualified teachers; shall Los Altos School District renew its expiring annual education parcel tax at \$223 per parcel for eight years, providing approximately \$2.8 million annually for local schools, with independent oversight, no funds for administrators' salaries, exemptions for seniors, and all funds benefitting local public schools?

### **FULL BALLOT TEXT**

###### **Measure \_\_\_\_**

*[letter designation to be assigned by Santa Clara County Registrar of Voters]*

The Board of Trustees ("Board") of the Los Altos School District ("District") has established the goals of improving academic performance and the quality of education for all public school children in the District.

In support of these goals, since 1989, the Board has proposed and the community has overwhelmingly supported supplemental educational funding for neighborhood schools for kindergarten through eighth grade, including the funds needed to maintain outstanding core academics, retain the highest quality teachers and expand innovative programs to prepare students for future success.

The community recognizes the positive impact of excellent schools on the quality of life in the District, and that a superior and comprehensive education program delivers many benefits to all the residents of our community.

The District seeks to maintain excellent schools, with strong core academic programs and world-class teachers which are enhanced by locally controlled parcel tax funding that is set to expire.

Property values in the District are supported and enhanced by strong schools, and may be adversely affected by a decline in the quality of education provided by the District.

Proceeds raised under this Proposition shall be authorized to be used to provide financial support for all public elementary and junior high school students in the District, but with no funds for administrators' salaries, as follows:

- maintain outstanding core academic programs in reading, writing, math and science
- attract and retain the highest-quality teachers
- expand innovative science, technology, engineering and math programs to ensure students are prepared to compete in the 21st-century global economy
- keep schools safe, clean and in good repair

and to provide other financial support to the extent of available funds to maintain the District's academic programs and operations, including the purchase of instructional equipment and supplies.

**A. Amount and Basis of Tax**

This qualified special tax shall authorize the District to annually levy a special tax of \$223 per Parcel of Taxable Real Property beginning July 1, 2017, and continuing for a period of eight (8) years.

This qualified special tax is estimated to raise \$2.8 million in annual local funding for District schools. The amount of annual local funding raised by this qualified special tax will vary from year-to-year due to changes in the number of parcels exempt from the levy.

"Parcel of Taxable Real Property" is defined as any unit of real property in the District that receives a separate tax bill for *ad valorem* property taxes from the County Tax Collector's Office. All property that is otherwise exempt from or upon which no *ad valorem* property taxes are levied in any year shall also be exempt from the special tax in such year.

**B. Sharing of Qualified Special Tax Proceeds with Bullis Charter School**

Bullis Charter School ("BCS") shall receive a share of the proceedings of this qualified special tax pursuant to the following provisions:

1. *Calculation of Share.* BCS's share of parcel tax proceedings shall be determined by multiplying the per-pupil share of the total annual proceeds from the levy of this qualified special tax – based upon BCS's in-District Average Daily Attendance (ADA), and the ADA of students enrolled in District schools – multiplied by BCS's in-District P-2 ADA as reported in the fiscal year prior to disbursement. "In-District ADA" is defined as attendance at BCS of students residing within the boundaries of the District.

The District shall disburse BCS's share of proceeds on the same schedule as it disburses parcel tax proceeds to District schools, and in accordance with its receipt of property tax revenues from the County of Santa Clara, no later than January 15 and May 15 of each fiscal year. The District will make a single annual adjustment based upon BCS's reported P-2 ADA in the fiscal year of disbursement.

2. *Accountability.* BCS shall comply with the following accountability requirements as a condition of receiving a share of the proceeds of this qualified special tax and the District reserves the right, through Board action at an open session of a public meeting, to reduce the parcel tax revenues disbursed to BCS in future fiscal years absent compliance with these requirements:
  - (a) BCS shall spend its share of parcel tax revenues in a manner consistent with, and only for the purposes identified in, this Measure and shall adhere to the highest levels of transparency in its expenditure of such funds.
  - (b) BCS shall provide the District with student enrollment data (including student names and addresses in sortable electronic format) to allow the District to verify BCS' in-District enrollment.

- (c) BCS shall only approve the expenditure of parcel tax funds in an open session meeting of its governing board.
- (d) BCS shall annually provide an accounting of its expenditure of parcel tax revenues in the previous fiscal year to the District no later than September 15.
- (e) BCS shall track its expenditure of its share of parcel tax revenues separately from all other revenues, and by resource code, for the purposes of making its annual report to the District

**C. Senior Exemption**

Under procedures adopted by the District, an exemption from payment of the special tax may be granted on any parcel owned by one or more persons who will attain 65 years of age prior to July 1 of the tax year and who occupy(ies) that parcel as their principal residence ("Senior Citizen Exemption").

The District shall annually provide to the Santa Clara County Tax Collector ("County Tax Collector") or other appropriate County official a list of parcels that the District has approved for an exemption.

**D. Claims / Exemption Procedures**

With respect to all general property tax matters within its jurisdiction, the County Tax Collector or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the special tax including any exemptions, the application of the definition of "Parcel of Taxable Real Property" to any parcel(s), the legality or validity of the special tax, or any other disputed matter specific to the application of the special tax, the decisions of the District shall be final and binding. The procedures described herein, and any additional procedures established by the Board shall be the exclusive claims procedure for claimants seeking an exemption, refund, reduction, or re-computation of the special tax. Whether any particular claim is to be resolved by the District or by the County shall be determined by the District, in coordination with the County as necessary.

**E. Appropriations Limit**

Pursuant to California Constitution Article XIII B and applicable laws, the appropriations limit for the District will be adjusted periodically as shall be necessary to ensure that proceeds of this qualified special tax, and of all qualified special taxes levied by the District, may be spent for the authorized purposes. This provision shall be deemed to be declaratory of existing procedures governing District expenditures.

**E. Mandatory Accountability Protections**

1. *Specific Purposes.* The proceeds of the special tax shall be applied only to the specific purposes identified above. The proceeds of the special tax shall be deposited into a fund, which shall be kept separate and apart from other funds of the District.

2. *Annual Reports.* No later than December 31 of each year while the tax is in effect, the District shall prepare and file with the Board a report detailing the amount of funds collected and expended, and the status of any project authorized to be funded by this Measure. The report may relate to the calendar year, fiscal year, or other appropriate annual period, and may be incorporated into or filed with the annual budget, audit, or other appropriate routine report to the Board.
3. *Oversight Committee.* The Board shall provide for an oversight committee (which may be the existing Citizens' Advisory Committee on Finance) to oversee the special taxes collected pursuant to the Measure to ensure that moneys raised under this Measure are spent only for the purposes described in this Measure. The Board shall establish, and may revise, requirements regarding the composition, duties, funding, and other necessary information regarding the committee's operation. For any year in which BCS provides the District with a report of its expenditure of special tax proceeds, the Committee shall include this information in any report it issues on the expenditure of the special tax proceeds.

**F. Protection of Funding**

Current law forbids any decrease in State or federal funding to the District resulting from the adoption of qualified special tax. However, if any such funding is reduced or affected because of the adoption of this local funding measure, then the Board may reduce the amount of the special taxes levied as necessary in order to restore such State or federal funding and/or maximize the District's fiscal position for the benefit of the educational program. As a result, whether directly or indirectly, no funding from this measure may be taken away by the State or federal governments.

**G. Severability**

The Board hereby declares, and the voters by approving this Measure concur, that every section and part of this Measure has independent value, and the Board and the voters would have adopted each provision hereof regardless of every other provision hereof. Upon approval of this Measure by the voters, should any part of the Measure or taxing formula be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts of the Measure or taxing formula hereof shall remain in full force and effect to the fullest extent allowed by law.
