San Mateo Union High School District
650 North Delaware Street
San Mateo, CA 94401

Attention: Hugh Whelan

Reference: Aragon High School CTE Steel Canopy

Dear Hugh,

Coulter Construction, Inc. is pleased to quote on the above referenced project. We will do the following work:

- Provide all labor and material to fabricate and install new galvanized steel canopy for the CTE building elevator to prevent water intrusion per ZFA and QKA drawings dated 4/25/2019
- Install sheet metal gutter and sch 40 downspout
- Prep, Prime and Paint new work only to match existing
- Drill holes in threshold to relieve water from entering cab
- Payment bond is included
- Cleanup work daily
- All work on straight time 6am-4pm

The total cost to do this work will be: \$ 51,872.00

Excluded: Plans, Permit, Fee's, Engineering, Special inspections, Demo, Shop drawings, Crane work, Anchoring, HVAC, Plumbing, Fire alarm, Electrical, Fire Sprinklers, Framing, Drywall, Taping, Signage, Overtime, ADA modifications and anything not mentioned above is excluded.

Sincerely,

Coulter Construction, Inc.

Jason B. Coulter
