Summary: The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices and school districts throughout California. Annually, in June, each local educational agency (LEA) submits the Spring release of the application to document participation in these programs and provide assurances that the county/district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs.

The documents listed below will be submitted electronically to CDE:

- 2019-20 Certification of Assurances
- 2019-20 Protected Prayer Certification
- 2019-20 LCAP Federal Addendum Certification

- 2019-20 Substitute System for Time Accounting

Recommendation: It is recommended the governing board approve the Consolidated Application for the 2019-20 fiscal year.
