RE: 2018-19 Loss Prevention Award

Dear Board Members,

Congratulations on receiving the 2018-19 Tuolumne JPA Loss Prevention Award for Alpine County Unified School District and Alpine County Office of Education. The award recipients were announced at the JPA board meeting on April 11, 2019. As a recipient of the award, your district(s) receives funding in the amount of \$4,000.00 each to continue work on the resolution of safety items identified in the recent Loss Prevention Facility Review conducted by SISC (Self Insured Schools of California).

The inspections contain the needs identified at your district that this funding could be applied towards. If you would like a copy of the inspection report please contact your district JPA representative Klaus Leitenbauer.

Thank you for your commitment to improving the level of safety at your school sites. If you have any questions, please do not hesitate to contact me.

Sincerely,

Norma Wallace, CSRM
JPA Executive Director
