Dear School Board Members:

The Alpine Parents Group is requesting permission to conduct the following fundraisers during the 2019/20 school year. Some of the annual programs we support with funds include: Grandparents Luncheon, teacher support/supplies requests, end of school year picnic dessert and bike donations, teacher appreciation brunch, HAWK T-shirts, Book Fair/Read-a-thon incentive awards and Teacher and Staff PBIS rewards. We also have purchased custom EZ-Ups for the athletic teams and the HAWK backstop signage which help to boost school spirit. We look forward to partnering with the school to find more ways to support the holistic success of our students and staff. If there are additional ideas for fundraisers during the school year, we will resubmit this letter to the Board.

Fall Walk-A-Thon

Students will collect monetary sponsorship for a Walk-A-Thon to take place at the school. All students will be able to participate whether they raise funds or not. No fundraising will be done during school hours. Reasons for a walk-a-thon include, promoting health and fitness and raising money to support annual events.

Timeframe- October 2019 (date TBD) Fundraising goal: \$1200

Winter See's Candy Sales

This fundraiser will happen at the school and throughout the community. Forms will go home with students early November and be due the first full week of December.

Timeframe- November 2019/December 2019. Fundraising goal: \$1500

Winter Program Raffle Baskets

The Parents Group will have a volunteer parent for each class to create a basket theme and ask families to donate an item for the basket. Parent Group members will sell raffle tickets before the winter program at \$1 each. Parents Group uses portion of funds to offset the cost of cookies for event, approximately \$250.

Timeframe- December 2019. Fundraising Goal: \$350

The Alpine Parents Group appreciates the support of the ACUSD Board of Trustees.

Thank you in advance for your consideration,

Trisha O'Connor  
Alpine Parents Group, President
