Self-Reflection Tool (Priority 1) – Appropriately Assigned Teachers, Access to Curriculum- Aligned Instructional Materials, and Safe, Clean and Functional School Facilities

This is the submission form for the local educational agency (school district, charter school, and county office of education) to complete on the local performance indicator for appropriately assigned teachers, access to curriculum-aligned instructional materials, and safe, clean and functional school facilities (Priority 1).

Standard: Local educational agency annually measures its progress in meeting the Williams settlement requirements at 100% at all of its school sites, as applicable, and promptly addresses any complaints or other deficiencies identified throughout the academic year, as applicable; and provides information annually on progress meeting this standard to its local governing board and to stakeholders and the public through the California School Dashboard (Dashboard).

Instructions: Local educational agency uses locally available information, including data currently reported through the School Accountability Report Card, and determines whether it report the results to its local governing board and through the self-reflection tool below. In the future, this information will be auto-populated within the Dashboard for local educational agencies that use the California Department of Education's School Accountability Report Card template. Currently, all local educational agencies will need to provide the following information:

All fields marked with an asterisk (*) are required

Number/percentage of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions: *

0

Number/percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home: *

0

Number of identified instances where facilities do not meet the “good repair” standard (including deficiencies and extreme deficiencies): *

0

Criteria:

Optional: Provide any additional information that the local educational agency believes is relevant to understanding its progress on meeting the requirements for appropriately assigned teachers, access to curriculum-aligned instructional materials, and safe, clean and functional school facilities.

Text limit is 1500 characters

We have purchased state adopted curriculum and provide professional development for staff on this curriculum.
