1. Do you have prior experience serving on a governing board, specifically a school district board?
Please list such prior experience.

NO

2. Have you worked on any school committees or participated in any school activities recently?
Please list them.

- Alpine County Parents Group
- volunteered at Diamond Valley Walk-A-Thon and last day of school

3. Describe any other community or business activities in which you have participated. Describe your role, and whether your work was volunteer or employment related.

None

4. Why do you want to be a school board member?

To help set goals for the district and hold the district accountable for results.

5. What do you see as the basic purpose of the public schools?

To provide education and create educated citizens for the future of our county.

6. How does the board's role differ from that of the superintendent?

The school board oversees the superintendent's decisions and governs the district. The school board is elected by the community while the superintendent is hired by the school board.

7. What should be the relationship between the board members and the administration in handling of school concerns?

All relations between the board and school should be professional and have clearly defined outcomes.

8. Briefly describe your commitment to public education and our local school district.

I am committed to the local school district due to my residence and the future of my children's education.

9. What do you see as the strengths of the school district?

Strengths of the school district are small class sizes and local control since there are a small number of schools in the district.

10. What do you see as the area(s) most needing improvement in the school district?

Ensuring staff and students stay in the district long term.

11. Do you have any other comments or concerns:

No
