Dear Suzanne,

I would be interested in continuing to serve on the County Committee on School District Organization. I reside in District 1, which includes Morgan Hill, Gilroy and Los Gatos. My home address, as noted above, is 346 Creekwood Court, Morgan Hill, CA 95037 and I have resided at this address since December, 1996. I have been living in Morgan Hill since 1984.

A copy of my "Resume of Service" to my community is attached for your consideration. As you know I have been a member of the committee since December 2014, am currently Chairperson for the committee, and look forward to continued service. Should you have any questions, please feel free to contact me via email at: rbbenevento@gmail.com or via telephone at: (408) 482 – 9717 (cell).

Thank you for your consideration.

To the Santa Clara County Committee on School District Organization,

Please accept this letter as my interest in the vacant seat on this committee to represent Supervisorial District 1. I have spent many years working in the community, serving on the Lakeside School District Board, numerous board committees including the leading campaign for Lakesides parcel tax as well as being a board member on the Lakeside Foundation. I am very much aligned with the goals and focus of County Office of Education and I would like to use the skills gained in my time in these roles, as a parent and in my professional life as a leader at Cisco Systems, to help meet those goals.

As a board member of small district, we rely more heavily than most on the resources and team at the County Office and I look forward to an opportunity to give back and to contribute in some small way our community at large.

Thank You for Your Consideration,

Dear Ms. Carrig:

This letter is to confirm my hope to be re-elected as a member of the Santa Clara County Committee on School District Organization.

I have served on the committee for the past 9 years, including two times as Committee Chair. Accordingly, I am familiar with the Committee's duties and procedures. Having been trained as a lawyer, I have professional experience applying regulations, conducting hearings, and analyzing evidence. Having served two terms on the Palo Alto Unified School District Board of Trustees, including two years as President, I have experience with school district issues, including boundaries, enrollment variation, and finances. I also have served on the Board of the Palo Alto Partners in Education, and have been a Board member and President of the Palo Alto Community Fund. For the past 5 years, I have supported, through an Adopt-a-Teacher program, an elementary grade class in the Ravenswood School District.

The community members, parents, and school administrators who seek to change or preserve school boundaries deserve to have their contentions, desires, and evidence carefully considered. I try to listen respectfully and to weigh all the information presented. While a member of the committee, in addition to reading and hearing descriptions of the areas at issue, I have often gone to view neighborhoods and sites to inform my eventual votes. I have also assisted in Committee by-law revisions. My past years on the County Committee on School District Organization help the Committee to include a balance of members with differing lengths of experience.

Educational Background- Public Schools K-12; B.A. University of Notre Dame; JD Harvard Law School.

I have lived in Santa Clara County and in District 5 for 29 years.

Thank you for your consideration,
Mandy Lowell
