

**LA CAÑADA UNIFIED SCHOOL DISTRICT
MINUTES OF THE SPECIAL MEETING OF THE GOVERNING BOARD**

May 26, 2016

The Special Meeting of the Governing Board of La Cañada Unified School District was called to order at 7:00 p.m. by Vice President Dan Jeffries on May 26, 2016, in the Round Building at 4490 Cornishon Avenue in La Cañada, California. Present were Governing Board Members Dan Jeffries, Kaitzer Puglia, Ellen Multari and Brent Kuszyk.

Mr. Jeffries asked Paradise Canyon Elementary Principal Debra Cradduck to lead the Pledge of Allegiance.

WORKSHOP: ELEMENTARY MATH ADOPTION

The workshop began at 7:00 p.m. Assistant Superintendent Anais Wenn stated that the purpose of the workshop was to provide an opportunity for parents to hear from district teachers and administrators regarding the decision to recommend for adoption Everyday Math K-5th grade and Math In Focus for grade 6. . She reported that teachers have worked diligently piloting a variety of rigorous materials and are ready to adopt curriculum for the 2016-17 school year. The panel of administrators and teachers at the meeting were: Palm Crest Elementary principal Karen Hurley, La Cañada Elementary principal Emily Blaney, Paradise Canyon Elementary principal Debra Cradduck, Palm Crest Elementary teacher Rachel Harter, K-6 TOSA Carrie Adkins, La Cañada Elementary teacher Deborah Pruden, Paradise Canyon Elementary teacher Mickey Block, Paradise Canyon Elementary teacher Danna Lesko, Palm Crest Elementary teacher Bianca Marchese. Ms. Wenn thanked the panel for attending the meeting.

Dr. Cradduck reported on districts that previously adopted Everyday Math and are no longer using it while Ms. Block reported on districts currently using Everyday Math. Ms. Wenn reported on the two year process which followed district protocol prior to recommending adoption of these textbooks. Carrie Adkins reported on the timeline of steps taken prior to bringing the adoption request to the Governing Board. K-5 grade level representatives reported on why they are recommending the Everyday Math textbook for adoption. Mr. Jeffries asked Stanford University Professor James Milgram to briefly discuss his opinion of the differences between Everyday Math and Math in Focus. Ms. Puglia briefly discussed the learning differences of K-5 students as compared to students in grade 6. Ms. Wenn reported on a confidential teacher survey that was administered to elementary teachers asking them which textbook they would like to adopt. This survey was administered to eliminate any perceived pressure from colleagues in choosing a particular textbook for adoption. Ms. Wenn provided estimated costs for the various math textbooks available for adoption.

Mr. Jeffries opened questions from the audience. Ms. Wenn answered questions regarding material costs; supplemental materials and homework available with each textbook: online components for Math in Focus and Everyday Math; and how the textbooks align with the Common Core State Standards. There was an extensive discussion regarding Singapore Math. There being no further questions the workshop was closed at 9:00 p.m.
