

School Accountability Report Card
Reported Using Data from the 2018—19 School Year
California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019—20)

Mira Catalina Elementary is located atop the bluffs of the majestic Palos Verdes Peninsula with grand vistas of the Pacific Ocean, and views of Santa Catalina Island. It is our goal that each student experience success. The definition of success is different for every student. We are here to support and challenge our students as they work to accomplish their goals during their time here at Mira Catalina.

Mira Catalina is a special school where the faculty balances the importance of instructional rigor while also supporting the "whole child". This commitment to the student body allows for our students to grow into well-rounded individuals. In the classroom our teachers focus on preparing students for the challenges of today while also looking to what tomorrow may bring. We emphasize creative problem solving and critical thinking through open-ended classroom instructional strategies. This balanced approach results in our students moving onto intermediate school as confident, compassionate, and knowledgeable young people.

Much of the success of our school is due to the ongoing support from our families and members of the community. Our PTA offers enriching activities for our students both during and beyond the school day. We could not provide the fantastic experience we do at Mira Catalina without the support of our wonderful PTA. We also receive support from the Peninsula Education Foundation (PEF) which supports our elementary music program, our Physical Education program, and technology support at Mira Catalina.

Our commitment to our current and future students is shown daily on the Mira Catalina campus from our teachers and our parent volunteers. Mira Catalina is a special place and we will continue to support all students by motivating them to be a "Superstar" each and every day!

School Facility Conditions and Planned Improvements

PVPUSD sites have not seen any significant Modernization Projects in many years. School sites are in "Fair" condition and kept safe and functional by requests through Work Order System. Recent recommendations from a Facilities Advisory Committee are included in an approved Bond Campaign and will serve as a Scope of Work, if passed, or a list of priorities that will need budget discussion if voters do not support.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017—18	School 2018—19	District 2017—18	District 2018—19	State 2017—18	State 2018—19
English Language Arts / Literacy (grades 3-8 and 11)	76%	75%	77%	78%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	68%	71%	72%	72%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

We have many opportunities to volunteer at Mira Catalina ranging from helping out in your child's classroom to organizing our various PTA Events (Movie Night, Fun Run, etc). Parents are encouraged to volunteer in classrooms and PTA activities. There are many programs that may utilize the skills, expertise, and desires of our community such as: Art at Your Fingertips, Physical Education, Community Service, Library Volunteers, Reflections Program, Room Parents, Technology, etc. Volunteering in the classroom opportunities are discussed by your child's teacher at Back to School Night. If you would like to volunteer in the classroom please contact your child's teacher. If you would like to get involved in our Parent Teacher Association (PTA), come to a meeting or reach out to a PTA board member as we'd love to have you.

School Safety Plan (School Year 2019—20)

The Comprehensive School Safety Plan was developed by the School Site Council in cooperation with local law enforcement and other school site councils in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment.

Components of the Comprehensive School Site Safety Plan include the following:

1. Child abuse reporting procedures
2. Disaster Procedures
3. Policies related to Suspension and Expulsion
4. Procedures Regarding Teacher Notification of Dangerous Students
5. Sexual Harassment Policy
6. Provisions of any School-wide Dress Code
7. Procedures for Safe Ingress and Egress
8. A safe and orderly environment conducive to learning, including anti-bullying/respect and social media education (Internet)
9. Rules and Procedures on School Discipline
10. Hate Crime Reporting Procedures

An updated copy of the plan may be viewed by the public in the school's front office.

2019-20 Comprehensive School Safety Plan was adopted by School Site Council January 31, 2019. The plan is reviewed with faculty and staff in August of each school year.
