## NINJA NATION Mobile Event Quote

### Frequently Asked Questions

#### What is a truss bay?

- Truss is the structural framework that our obstacle course is made of. A truss bay is one section of the course. This sturdy structure supports the hanging elements of our obstacle course. Hanging elements include cargo nets, rings, handle bars, etc.
- Each truss bay is 20 feet long, 12 feet wide and 12 feet tall
  - The Starter Package includes one truss bay
  - The Elite Package includes two truss bays
  - The Pro Package includes three truss bays

## Mobile Event Quote

### **What are ground obstacles?**

Ground obstacles are the balance-focused elements of our course. As the name suggests, these obstacles are placed on the ground and provide participants with a fun balance challenge!

### **What is the Warped Wall?**

- This challenging obstacle has a short runway and a steeply curving wall that extends off the ground. Participants take a run at it, and use that acceleration for momentum to climb their way to the top! Buzzer, steam cannon and excessive celebration encouraged!!
- Our Mobile course features a side by side double-ledge wall, with a 10 foot and a 12 foot ledge. There is a 8 foot cutout on the 10 foot side of the wall.

### **What are dual lanes?**

- We have the ability to create two lanes within the truss bays to allow for two participants to go through at a time.
- For school or family-style events, we serve a variety of abilities and ages by making one lane a little less challenging for young participants, or those who are working on developing their athletic abilities. The other lane is more challenging for the older, more athletic participants.
- We can also set up racing lanes. These lanes have identical obstacles on both sides, and encourage more of a competitive atmosphere on the course.

### **What is the throughput on the Ninja Nation Mobile course?**

- Depending on the size of the course you choose, we typically get between 100-200 participants through in an hour.

### **Can I choose the obstacles I want for my event?**

- Our experienced Mobile staff will choose age-appropriate obstacles for your event to provide just the right amount of challenge for your participants. We cannot guarantee the availability of any particular obstacle.

### **What happens if there is bad weather on the day of my event?**

- In the event of unforeseen weather circumstances, an event can be rescheduled with no penalty up to 6 hours before the event start time. Ninja Nation will work with you to reschedule event based on availability.
- We typically move forward with outdoor setups in the event of "colder" weather, but encourage you to reschedule or move to an indoor location in the event of heavy rain, snow or other extreme conditions.
- No refunds are given for a change in weather after Ninja Nation arrives onsite for setup. The event host is responsible for the entire contracted event cost, regardless of use. In the event of snow, rain or thunderstorms during your event, Ninja Nation staff will shut down the course until it is safe to access again.

### **What is the age requirement for the Mobile course?**

- The Ninja Nation Mobile course is suitable for participants ages 5-105!
- Children under 4 must be accompanied by a parent or legal guardian

# NINJA NATION

## Mobile Event Quote

### Is the Ninja Nation Mobile Obstacle course safe?

- Our obstacle course elements are safe, sturdy and made from top-of-the-line materials. The base trussing and vertical trussing that make up each truss bay are fully wrapped in thick protective padding. We also place padding beneath the hanging elements.
- Our experienced staff focuses exclusively on safety and spotting during your event. They maintain a safe environment by controlling the rate at which participants may access the course, and address any unsafe behavior right away.
- There is inherent risk involved with any athletic activity. We require a signed Ninja Nation Liability Waiver for each participant before they may access the course.

### Am I required to sign a liability waiver?

- Yes. Ninja Nation requires each participant to sign the Ninja Nation Liability Waiver before accessing the course. Participants under the age of 5 must have the waiver signed by their parent or legal guardian in order to access the course.
- **School Events:** Each student must have a Ninja Nation Liability Waiver signed by a parent or legal guardian in order to participate in your school's Ninja Nation Mobile event. Your Ninja Nation Mobile representative will provide a PDF copy of the waiver that you must print, distribute and collect in advance of your event. It is the school's responsibility to hold back any students without a signed waiver from participating in the event. All staff, teachers and adult volunteers are also required to sign the waiver. Our staff will collect the signed liability waivers during your event.
- **Civic/Corporate/Private Events:** Unless you purchase the Waiver Management Add-On Service for your event, you are required to provide at least one volunteer to manage the waiver process for your event. Your Ninja Nation Mobile representative will provide a PDF copy of the waiver. It is your responsibility to provide a volunteer, printed waivers, pens, table, and any other supplies needed. Ninja Nation will provide paper bracelets that you can give to those that have signed the waiver, alerting our staff that the participant has a signed waiver on file and is ready to play.

### Are you insured?

Yes! Ninja Nation Mobile is fully insured. Our Certificate of Insurance is available upon request.

### Does Ninja Nation Mobile require background checks for employees?

- Yes! Every Ninja Nation employee must pass a background and drug screen as a condition of employment.
