The Del Barrett Memorial Auto Show and Country Fair Day is a traditional event at SRHS that goes on for several years. This event has many layers and benefits the entire student body and staff. It has been described by students and staff as the best event of the year. The event is put on by students from Career Technical Student Organizations in the CTE Department (SkillsUSA and FFA). Students from SkillsUSA plan and organize the Auto Show portion and students from FFA plan and organize the Country Fair Day portion. Both groups have also collaborated on the t-shirt design. Students use the leadership and organizational skills that they have gained through participation in their classes and CTSO's. They have gone out into the community to get sponsorship for the event, planned and prepared for all of the activities that will be offered that day. In addition to the cars on display, there will be live animal exhibits, carnival games, food and music. Essentially, the event is a showcase for CTE students to demonstrate their leadership, organizational/planning skills and their knowledge. Students and staff are encouraged to actively participate in the event by entering a car in the show, visiting the live animal exhibits, play carnival games and enjoy time together as a campus community. For many students on campus, it will be their first opportunity to learn, first hand, about the SkillsUSA and FFA. So, to answer your question about what the Country Fair Day "Is", it is a showcase of the combined efforts of our CTE CTSO students' leadership and organizational skills.
