Description of Services		Consideration		Evaluation and Metrics	
The particular focus for the committee is SRCS students at the margins, who learn in non-traditional ways. The goal is for the committee to offer creative approaches (including leveraging pre-existing Career Technical Education (CTE) resources and industry stakeholders in the Santa Rosa community for these students to be both college AND career ready. Ms. Hui will also engage with Elsie Allen HS students in creating a student voice collaborative and continue her work with Ridgway Youth Crew.		These workshops will engage a diverse group of 20-30 stakeholders (parents, teachers, counselors, site/district administration, and industry/post-secondary partners) in numerous experiences to support the development of the Specialist Certificate. The Youth Crew opportunities at EAHS and RHS will continue the movement of utilizing student voice to transform educational programs aligned to the MVP.		By July 2019 the specialist certificate will be 80% completed with full completion in the Fall of 2019.
