- (1) The rights of the employees in the affected districts to continued employment.

- (3) Whether the school districts involved will be governed, in part, by provisions of a city charter and, if so, in what way.
- (4) Whether the governing boards of any proposed new district will have five or seven members.

- (6) Where the proposal is to create two or more new districts, whether the proposal will be voted on as a single proposition.
- (7) Whether the governing board of any new district will have trustee areas and, if so, whether the trustees will be elected by only the voters of that trustee area or by the voters of the entire school district.
- (8) A description of how the property, obligations, and bonded indebtedness of original districts will be divided.

- (9) A description of when the first governing board of any new district will be elected and how the terms of office for each new trustee will be determined.

- (6) The proposed reorganization will continue to promote sound education performance and will not significantly disrupt the educational programs in the affected districts.
