Calls on Jive

American Family Insurance

American is one of the largest personal-line insurers in the United States, priding itself on how it builds customer relationships. Maintaining these relationships requires a reliable, economical phone service, preferably one that offers easy system management and conference calling. Jive was able to offer American Family month-to-month rates and a host of voice features, including conference calling and simple call-flow, which aided in improving customer service.

RECOGNITION

FROST &
SULLIVAN

Frost and Sullivan recognized Jive as Entrepreneurial Company of the Year.

West Coast Customs

In the custom car world, everyone recognizes West Coast Customs. When the group moved its headquarters to a new 60,000 square-foot flagship facility in Burbank, CA, everything had to be top of the line, including the phone system. Jive was the natural choice, tricking out WCC's new headquarters with a cutting-edge phone system that integrated with the group's overhead paging and intercom and offered an easy, intuitive dial plan configuration.
