### **NOTICE OF TIME AND PLACE OF PUBLIC HEARING**

**Milpitas Unified School District**

**to**

**Milpitas Teachers Association (MTA)**

Notice is hereby given that at 7:00 p.m. on June 9, 2020, in a virtual meeting posted on the district website, the Governing Board of the Milpitas Unified School District will hold a public hearing on the Milpitas Unified School District's "sunshine proposal" for negotiations on Compensation, Hours, Transfers, Class Size, Evaluations, Leaves, Safety, Releases from Contract, Security and Employee Rights, and Adult Education Teachers.

Given this uncertainty, the District reserves the right to open articles in addition to those stated above for negotiations in 2020-2021, in compliance with Government Code section 3547 subdivision (d), as necessary and appropriate to meet the impending fiscal challenges facing the District.

The public hearing will provide an opportunity for members of the education community to provide public input.
