If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which he/she intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or injury, continues to be absent from his/her duties for an additional period up to five school months, the employee shall receive his/her regular salary minus the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or injury. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

In addition, during each school year, any certificated employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of maternity or paternity leave (baby bonding) pursuant to Government Code 12945.2 shall receive, for up to 12 school weeks, his/her regular salary minus the actual cost of a substitute to fill the position or, if no substitute was employed, the amount that would have been paid had a substitute been employed. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such maternity or paternity leave. (Education Code 44977.5)

If a certificated employee is not medically able to resume his/her duties after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

(cf. 4116 - Probationary/Permanent Status)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee ~~may, at any time, require additional written verification by the employee's physician or other authorized health care provider. Such~~ **may require** verification ~~shall be required~~ whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of

absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information.

Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to duty and stipulating any necessary restrictions or limitations.
