In accordance with the guidance provided by the Expanded Learning Division on April 29, 2020, **The Role of Expanded Learning During COVID-19 Crisis**, After School Education and Safety (ASES), 21st Century Community Learning Centers (21st CCLC), and After School Safety and Enrichment for Teens (ASSETs) programs may extend Fiscal Year 2019–20 funds for a period of six months, beginning July 1, 2020–December 31, 2020.

The purpose of the extension of grant funds for Fiscal Year 2019–20 is to allow expanded learning programs to increase their level of support to students in response to the COVID-19 crisis.

Services may include:

- A provision to add additional services for students enrolled in the ASES, 21st CCLC, or ASSETs programs; additional services should support—not supplant—activities or services typically provided through the Fiscal Year 2020–21 grant funds.
- A provision to temporarily increase the number of students enrolled in the ASES, 21st CCLC, or ASSETs funds for a period not to exceed the extension of the Fiscal Year 2019–20 grant funds to support the transition of students back into the school environment after the disruption of educational services due to COVID-19.
- Hiring temporary staff that meet the minimum qualifications for instructional aide for a period not to exceed the extension of Fiscal Year 2019–20 grant funds; these staff may serve to lower the student to staff ratios as needed to provide for social distancing, hygiene, and other necessary physical restrictions in the school environment.

For this purpose:

- Related expenditures for the grant extension must be accounted for separately from the Fiscal Year 2020–21 funds; any expenditures utilizing Fiscal Year 2019–20 must be reported in Quarter 5 (July 1, 2020–September 30, 2020) and Quarter 6 (October 1, 2020–December 31, 2020).
- Attendance for the additional students served through the extension of the grant must be tracked separately from the attendance for funds received for Fiscal Year 2020–21.
