<b>Description of Services</b>		<b>Consideration</b>		<b>Evaluation and Metrics</b>	
Newsela is a database of current event articles made for classroom use that are indexed by broad themes (e.g. War and Peace, Arts, Science, Health, Money). Articles are student-friendly and Newsela is used to differentiate nonfiction reading, allowing students to access articles in five Lexile levels. All articles have embedded Common Core aligned quizzes for checking comprehension. Teachers can create classes and assign reading-level specific articles to individual students, or download printable PDF copies of the articles. All teachers in grades 3-12 will receive access to the Newsela PRO version which allows for the creation of student binders and more.		Newsela is a content-agnostic program; it is not sponsored by any textbook publisher thus can be accessed by all teachers. The content is updated daily, has multiple reading levels and covers a wide array of topics thus providing an information rich platform that a teacher in any discipline can use to support student literacy.		Teachers will increase their participation and use of software by at least 20% resulting in the same increase in student participation.

<b>Description of Services</b>		<b>Consideration</b>	<b>Evaluation and Metrics</b>	
Learning A-Z provides a comprehensive catalogue of online resources to support literacy, including the two programs used by Santa Rosa City Schools, RAZ Kids and Science A-Z. Resources include online books at a wide range of reading levels and in multiple languages that support personalized instruction and support for students. The program offers accompanying lessons for teachers that include vocabulary, comprehension skills and quizzes. Learning A-Z offers both in person and online webinar trainings. This contract would give all Kinder Academy - 4th grade teachers and students access to the programs, RAZ Kids and Science A-Z and would offer both in person and webinar trainings to our teachers.		These Learning A-Z Resources have been used by KA-4th grade teachers for several years and have been incorporated in our Collaborative Curriculum Design Units of Study. Many teachers have attended both in-person and online trainings to support the use of this rich resource of literacy lessons and readings that support students in accessing content at their reading level.	Data can be gathered to provide feedback on the overall usage of the resources. Resources will continue to be included in our Collaborative Curriculum Design Units of Study. Students in grades KA-4th will access the resources via in-person and online usage on a consistent basis.

<b>Description of Services</b>		<b>Consideration</b>	<b>Evaluation and Metrics</b>	
Let's Go Learn provides an online platform for assessment used multiple times a year in elementary. This includes Math and ELA assessments, an online curricular program and professional development support as needed. For secondary, Let's Go Learn is used to support the English Learner redesignation process. The online ELA diagnostic assessment (DORA) is administered annually in grades 7-12. LGL will also provide technical support and training to support usage and analysis of data.		Let's Go Learn provides an online diagnostic assessment for both reading (DORA) and math (ADAM) that is used several times a year to provide feedback to guide instruction and is also used as part of the English Learner redesignation criteria. In addition, Let's Go Learn offers an online curricular component, called EDGE, that is used in classrooms and after school programs.	Assessments (DORA and ADAM) are administered 3x a year in grades 1st-6th and 2x a year in Kindergarten. A 20% increase will show in all 3 assessment windows. In addition, DORA will be used annually for ALL English Learners in support of gathering information needed for redesignation.

<b>Description of Services</b>		<b>Consideration</b>	<b>Evaluation and Metrics</b>		
Provide a qualified Mental Health Clinician to provide Mental Health Wellness services to students on Santa Rosa City School District's school sites.		The continuing need for Tier 3 clinical services are necessary for effective support of student wellness. Until SRCS builds its own student and staff wellness program these services are provided by our vendor partners. This contract is for secondary schools for the 2019-2020 school year. Last year the vendor met all its deliverables. Student & Family Services recommends these services are renewed at a reduced amount. The contract has been reduced from 18 days to 16 days of service. The daily rate of service has increased from \$19,792 to \$20,386.	Contractor will keep records of the demographics, numbers, and types of students receiving services and the number of sessions and referrals, dates and reasons, by school. They will also record students referred but not receiving services and reasons why. These will be reported to the District.

Provide individual, family, or group therapy sessions to certified and/or classified staff referred to CONTRACTOR by DISTRICT. Therapy sessions shall focus on addressing the reason for referral, as well as compounding factors impacting staff's ability to function at work. Provide telehealth services when necessary due to COVID 19. Apply a sliding scale co-pay for employees. Contractor will maintain legal and ethical therapist-patient confidentiality for staff utilizing the therapy program, including details and content of the staff/client's therapy. Contractor shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in Contractor's profession. Support outreach efforts through attending two staff meeting presentations about services, providing program flyers with contact information.		This contract will provide mental health support to Santa Rosa City Schools staff who are facing unprecedented emotional challenges. Last year Student and Family Services entered into a pilot program to determine the effectiveness of providing employee assistance program level counseling through a local agency called SOS Community Counseling. The pilot was very successful and served 6 staff members who reported significant levels of satisfaction with the services provided. Given that SRCS has eliminated it's EAP contract this will provide a needed service that is both more effective and economical.	The expected outcome of mental health services is improved mental health of the people who participate. This contract will be evaluated through surveying participants. Surveys will be done at the beginning and end of services. Contractor will provide survey data report at the end of the contract period.
