If the Claim involves an assertion of a right or claim by a consultant against ARCHITECT that is in turn being asserted by ARCHITECT against OWNER, then such consultant shall also have a representative attend such negotiations, with the same authority and knowledge as just described. Upon completion of the meeting, if the Claim is not resolved, the Parties may either continue the negotiations or either Party may declare negotiations ended. All discussions that occur

during such negotiation and all documents prepared solely for the purpose of such negotiations shall be confidential and privileged pursuant to California Evidence Code §§ 1119 and 1152.

(iii) Mandatory Mediation. If the Claim remains unresolved after direct negotiations, all claims, disputes and other matters in controversy between the ARCHITECT and the OWNER arising out of or pertaining to this AGREEMENT shall be submitted for resolution by non-binding mediation conducted under the auspices of the American Arbitration Association ("AAA"), and the Construction Mediation Rules of the AAA in effect at the time that a Demand For Mediation is filed. (iv) Government Code Claim Requirements. Pursuant to Government Code § 930.6, any claim, demand, dispute, disagreement or other matter in controversy asserted by the ARCHITECT against the OWNER for money or damages, including, without limitation, a Demand for Arbitration, shall be deemed a "suit for money or damages" and shall be subject to the provisions of Government Code §§ 945.4, 945.6 and 946. Notwithstanding the resolution of disputes pursuant to the arbitration provisions set forth in this Section (iv), any claim, demand, dispute, disagreement or other matter in controversy between the ARCHITECT and the OWNER seeking money or damages shall first be presented to the OWNER and acted upon or deemed rejected by the OWNER in accordance with Government Code § 900, *et seq.*, as an express condition precedent to the ARCHITECT's commencement of arbitration proceedings.

(v) Arbitration. All claims, disputes or other matters in controversy between ARCHITECT and OWNER arising out of or pertaining to this AGREEMENT which are not fully resolved through the mandatory mediation set forth in section (iii) above shall be settled and resolved by binding arbitration conducted under the auspices of the AAA Construction Industry Arbitration Rules in effect at the time of the filing of a Demand for Arbitration, as modified herein. The award rendered by the Arbitrator(s) shall be final and binding upon the ARCHITECT and the OWNER and shall be supported by law and substantial evidence pursuant to California Code of Civil Procedure § 1296. Any written arbitration award that does not include findings of fact and conclusions of law in conformity with California Code of Civil Procedure § 1296 and Rule R-47 of the AAA Construction Industry Arbitration Rules shall be invalid and unenforceable. The ARCHITECT and OWNER hereby expressly agree that the Court shall, subject to California Code of Civil Procedure §§ 1286.4 and 1296, vacate the award if, after review of the award, the Court determines either that the award is not supported by substantial evidence or that it is based on an error of law. In connection with any arbitration proceeding commenced hereunder, the discovery rights and procedures provided for in California Code of Civil Procedure § 1283.05 shall be applicable, and the same shall be deemed incorporated herein by this reference. If any claim or dispute is asserted by the Contractor, the Program Manager, the Construction Manager or the OWNER relating to the Project and arising in whole or in part out of this AGREEMENT, the services provided by or through the ARCHITECT hereunder or the Instruments of Service prepared by or through the ARCHITECT, the ARCHITECT and OWNER agree that any arbitration proceedings initiated between the ARCHITECT and OWNER hereunder shall be consolidated with any arbitration proceedings initiated in connection with such other claim or dispute with the ARCHITECT, the Contractor, the Program Manager or the Construction Manager.

Article 11 – Termination:

AGREEMENT, such failure shall be considered substantial nonperformance and cause for termination or, at the ARCHITECT's option, cause for suspension of performance of services under this AGREEMENT; provided, however, that ARCHITECT shall first provide OWNER with written notice and a 30 day opportunity to cure before ARCHITECT may initiate a termination for cause. If the ARCHITECT elects to suspend services, the ARCHITECT shall give thirty (30) days written notice to the OWNER before suspending services. In the event of a suspension of services, the ARCHITECT shall have no liability to the OWNER for delay or damage caused the OWNER because of such suspension of services. The ARCHITECT's fees for the remaining services and the time schedule shall be equitably adjusted.

- 11.2 The OWNER hereby reserves the right to suspend or abandon at any time all or any of the construction work on the Project or to terminate this AGREEMENT at any time. In the event of such suspension, abandonment or termination, the ARCHITECT shall be paid pursuant to the schedule of payments set forth in this Agreement for services rendered up to the date of such suspension. If the OWNER suspends the Project for more than 60 days, the ARCHITECT shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the ARCHITECT shall be compensated for expenses incurred in the interruption and resumption of the ARCHITECT's services. The ARCHITECT's fees for the remaining services and the time schedules shall be equitably adjusted.

Such payment shall be ARCHITECT's sole and exclusive compensation and OWNER shall have no liability to ARCHITECT for any other compensation or damages, including without limitation, anticipated profit, prospective losses or consequential damages, of any kind.
- 11.5 The OWNER may terminate all or part of this AGREEMENT for cause If OWNER determines that ARCHITECT has failed to perform in accordance with the Terms and Conditions of this AGREEMENT. This termination shall be effective if ARCHITECT does not begin to cure its failure to perform within ten (10) Days (or longer, if authorized in writing by OWNER) after receipt of a notice of intention to terminate from OWNER specifying the failure in performance. If a termination for cause does occur, OWNER will have the right to withhold monies otherwise payable to ARCHITECT resulting from the ARCHITECT's cited failure to perform. If the OWNER incurs additional costs, expenses or other damages due to the negligent failure of ARCHITECT to properly perform pursuant to this AGREEMENT, these costs, expenses or other damages shall be deducted from the amounts withheld. Should the amounts withheld exceed the amounts deducted; the balance will be paid to ARCHITECT upon Final Completion of the Project. If the costs, expenses or other damages incurred by OWNER exceed the amounts withheld, ARCHITECT shall be liable to OWNER for the difference
