***1. How is the afterschool program aligned with the school day?***

Weekly and daily updates through email. Program coordinator attends counseling and behavior sessions with VP's and teachers. Weekly meeting with principal.

***2. What differentiates the afterschool program from the school day?***

Students are given opportunities that do not exist during the school day to expand their skills and to socialize with friends outside of their grade level/cohorts. Students have the independence to choose activities while remaining in the boundaries and upholding expectations for behavior. Students can access 1-on-1 support for their academic work.

***3. If there is a BEARS program at your site, how are the two programs blended?***
