

INTERDISTRICT ATTENDANCE

The Board of Trustees recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

(cf. 0520.3 - Title I Program Improvement Districts)
(cf. 5111.12 - Residency Based on Parent/Guardian Employment)
(cf. 5116.1 - Intradistrict Open Enrollment)
(cf. 5118 - Open Enrollment Act Transfers)

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

The Superintendent or designee shall maintain a record of requests for admittance that contains all of the following: (Education Code 48313)

1. The number of requests granted, denied, or withdrawn and, for denied requests, the reason for the denial
2. The number of students transferred out of and transferred into the district pursuant to this program
3. The race, ethnicity, gender, self-reported socio-economic status, and the district of residence for each student in item #2 above
4. The number of students in item #2 above who are classified as English learners or students with disabilities

INTERDISTRICT ATTENDANCE (continued)

The Superintendent or designee shall report to the Board, at a regularly scheduled meeting, the information specified in items #1-4 above. By May 15 of each year, the Superintendent or designee shall provide the same information, as well as information regarding the district's status as a school district of choice in the upcoming school year, to each geographically adjacent school district, the county office of education, the California Department of Education, and the Department of Finance. (Education Code 48313)

The report to the Board and other agencies shall also include a summary of audit exceptions, if any, resulting from the compliance review of components of the district of choice program conducted as part of the annual district audit. (Education Code 48301, 48313)

Limits on Student Transfers Out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice. (Education Code 48307)

(cf. 3100 - Budget)

(cf. 3460 - Financial Reports and Accountability)

The district may deny a transfer of a student out of the district to a school district of choice if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan of the district. (Education Code 48301)

INTERDISTRICT ATTENDANCE

Interdistrict Attendance Permits

In accordance with an agreement between the Board of Trustees and the board of another district, a permit authorizing a student's attendance outside his/her district of residence may be issued upon approval of both the district of residence and the district of proposed attendance.

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. When the student has been determined by staff of either the district of residence or district of proposed attendance to be a victim of an act of bullying as defined in Education Code 48900(r). Such a student shall be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, shall be given consideration for the creation of a new permit. (Education Code 46600)

(cf. 5131.2 - Bullying)

2. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel.

(cf. 6159 - Individualized Education Program)

3. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year.
4. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school.
5. To allow a high school senior to attend the same school he/she attended as a junior, even if his/her family moved out of the district during the junior year.
6. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence.

(cf. 5113.1 - Chronic Absence and Truancy)

7. When there is valid interest in a particular educational program not offered in the district of residence.

INTERDISTRICT ATTENDANCE (continued)

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Pending a decision by the two districts or an appeal by the County Board, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

(cf. 5119 - Students Expelled from Other Districts)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded for students entering grade 11 or 12 in the subsequent school year. (Education Code 46600)
