Rationale for activity:

- A) Explain the educational value and relate to the instructional program or sponsoring organization and Policy 1100.

Our band camp at Cal Poly Pomona, allows the entire marching band the time to prepare a field show, with all the many moving parts. We practice our music, movement and performance in order to prepare for the coming school year competitions and football half time shows. By going to a university, it allows students to get a taste of college dorms and food, so they know what to expect when they do go off to college and it creates a more cohesive group through bonding activities and being away together as a group.

- B) Explain impact on instructional time and justification for any time lost.
No impact on instructional time since it occurs prior to the start of school.

- C) Complete Itinerary: Please be specific and include detailed activity time periods for each day. (Attach additional page(s) if necessary.)
