## **Why do you want to serve on the Measure I Citizens' Bond Oversight Committee?**

I am a supporter of the Measure I Bond and a parent of two daughters at FUHS and one son at Beechwood School. I am also the Assistant Superintendent of Business Services in West Covina Unified School District and a member of the Howard Jarvis Taxpayers Association. I know how hard it is to get members for the CBOC and I would be happy to help as a parent and member of the school community. I would be honored to serve the district and school in this capacity and help pass the next bond for FJUHSD. I am proud of the work that has been completed. It looks great.

## **Do you have any special area of expertise or experience that you think would be helpful to the committee?**

I am a parent of three school aged children, first and foremost. I have been an educator for over 20 years in public schools in California, including classroom teacher, high school coach, ASB Advisor, assistant principal/athletic director, middle school and high school principal, and assistant superintendent in two unified school districts. I have also been leading a \$143 million bond project in my school district.
