RE: RFP#1819-06 Yearbook Printing and Delivery

To whom it may concern,

This is a letter of intent to have Walsworth Yearbooks and Monica Loera to continue working with your school district and extend our contract for the 21/22 school year. There will be no price increase to any schools wanting to continue to work with us. This is in response to the contract language in the RFP states:

*"The minimum contract term is twelve (12) months, from July 1, 2019 to June 30, 2022. The agreement may be extended upon mutual written consent of District and successful bidder for an additional four (4) one year periods in accordance with provisions contained in the Education Code, section 17596 (K-12). The maximum term is five (5) years. Quoted prices must stay in effect for twelve (12) months after award of RFP. Price increases may be negotiated at the time of renewal. Publisher must notify the district at least 30 days in advance of contract end date if a price increase is desired. No notification of proposed price increases by May 31 of the contract year will result in prices remaining for the same for the new contract year."*

We thank you in advance and look forward to another great year.

Best,

Monica C. Loera
