2017-18 Plan Summary

THE STORY

Briefly describe the students and community and how the school serves them.

Vessels Elementary school a K-6 public school located in City of Cypress. Our school served a diverse population of 28% Socioeconomically Disadvantaged, 9% English Learners, and 10% Students with Disability. Vessels was honored with the Golden Bell Award during the 2016-2017 school year. Our school's success lies in the strength of our community, teachers, parents, and students. Working together, we shape the future by helping students acquire the important skills needed for school and life success. Equally important, we strive to develop a love for learning at the same time. We have an exceptional school staff that always puts student needs first. Our team is committed to providing a rigorous educational program in a supportive and friendly atmosphere. We set the bar high for students and ourselves!

One of the ways in which we successfully achieve our goals is through promoting a strong home/school partnership. We enjoy a high level of parent involvement at Vessels that ranges from classroom volunteering to regular participation in our Parent Teacher Association. Our PTA is an amazing group! They help us provide special activities and events that enrich our students' school experience.

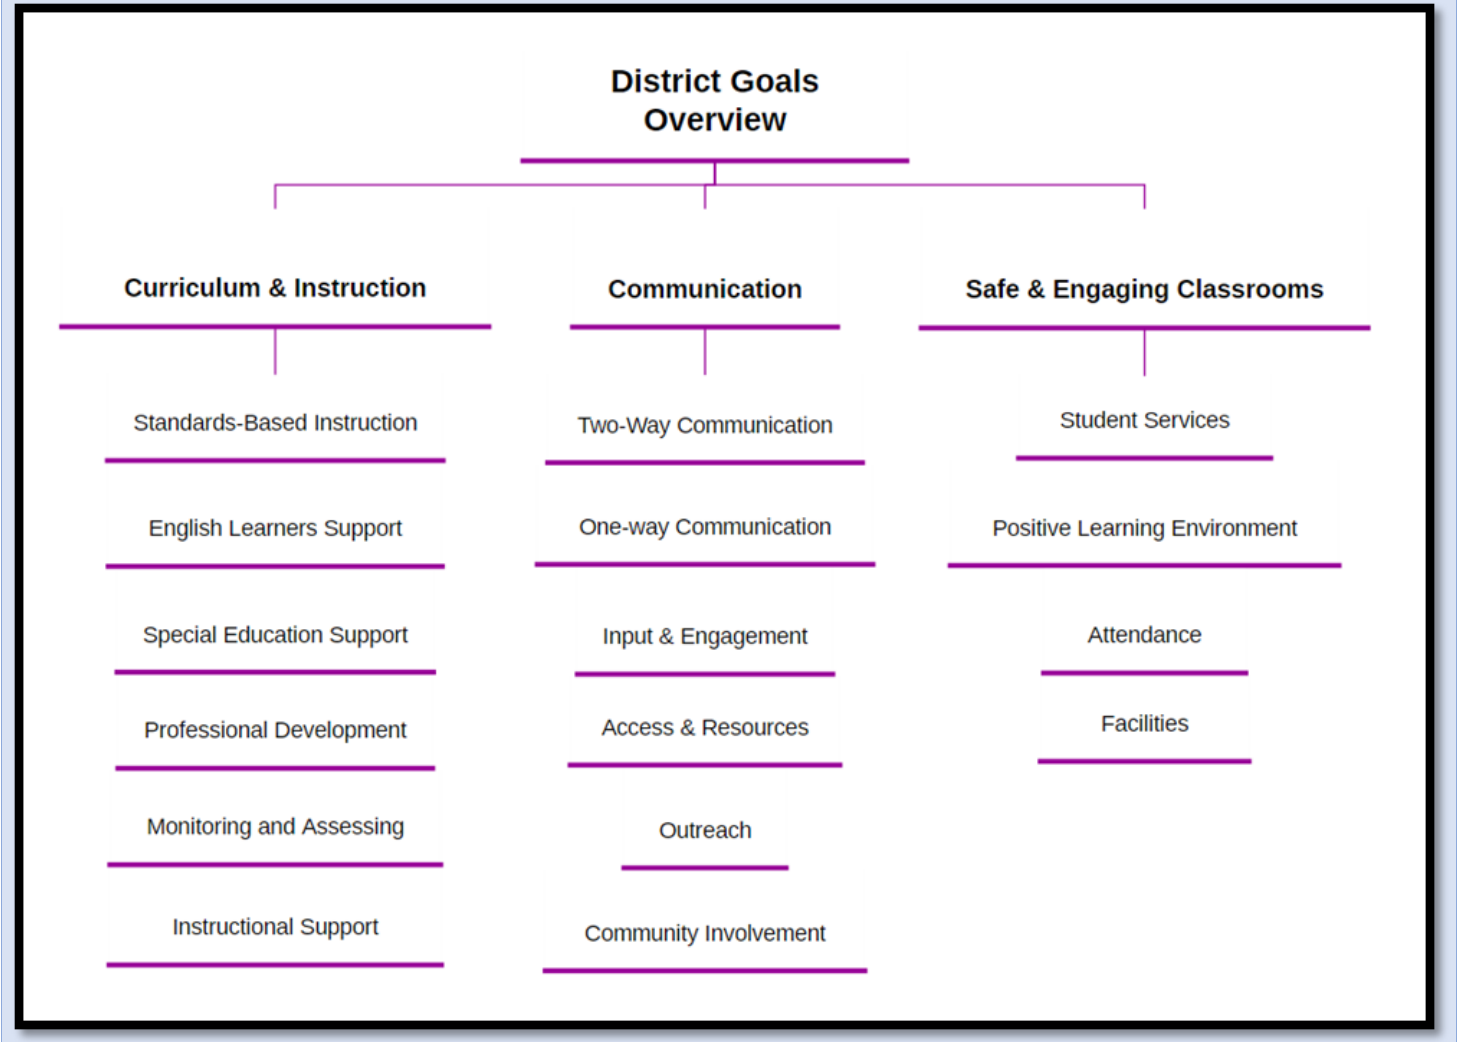

In addition to our stellar staff and supportive parents, the students at Vessels are absolutely the best! They are respectful, responsible, safe, and ready to learn... the "Paws-itive" Bulldog behaviors we promote at school. Our students work hard every day to be good scholars and good citizens...and it truly shows!

We are extremely proud of the educational program we provide for students at Vessels. Working together with our school community, we ensure our students achieve their personal best.

PLAN HIGHLIGHTS

Identify and briefly summarize the key features of this year's plan.

The Vessels' school plan is organized into three goals. Our first goal is to provide comprehensive, well-rounded, and rigorous educational experiences to all students. Goal two is to provide a wide variety of parent involvement opportunities with open and transparent communication. Goal three is to provide an engaging, safe, and secure learning environment for all students. The visual below gives additional details about each goal.

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward SCHOOL PLAN goals, local self-assessment tools, stakeholder input, or other information, what progress is the SCHOOL most proud of and how does the SCHOOL plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

GREATEST PROGRESS

In reviewing the data on Five-by-Five Placement Reports we are proud of our performance levels in Math. All students scored in the High Level, which reflects an increase from the previous year. Our English Learner and Asian populations scored at the Very High Level and this represents an increase in achievement. Our Socioeconomically Disadvantaged students maintained at the Medium Level. Our local progress indicators reflect similar achievement results. We also have 97% daily attendance rate and our suspension is less than 1%, which serve to reflect that students want to be at school daily. Vessels students made 12.4 points increased in the area of math. Our English Learners made 11.4 points increased and 46 points increased in the Socioeconomically Disadvantaged student group. Students with Disabilities made 20.5 points increased which is a significantly increased from the previous year. Grade level team members will continue to meet every trimester to analysis student progress. Students will continue to participate in ALEKS math competition daily starting in November.

Referring to the LCFF Evaluation Rubrics Five-by-Five, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the school and/or LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the school has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the school planning to take to address these areas with the greatest need for improvement?

GREATEST NEEDS

In reviewing the data on Five-by-Five Placement Reports we are proud that our students performed high level in ELA but they have also declined into the yellow performance indicator. Vessels students decreased 2.5 points in the area of English Language Arts but our English Learners increased by 2.1 points. Moreover, Socioeconomically Disadvantaged student group decreased by 5.1 points and Hispanic or Latino student group also decreased by 5.3 points. Additional interventions will be offered to students who are at risk based on the beginning of the year baseline data. The principal will continue to conduct regular formal and informal classroom observations/visits and meets with teachers/grade level to discuss instructional strategies and student progress. Grade level team members will analyze student data with the principal/instructional Learning Coach (ILC) individually and by grade level each trimester to increase student achievement in the area of English Language Arts. Data meetings will be conducted individually and by grade level. Teachers will continue to keep assessment results based on their established Smart ELA goals and students are monitored through weekly, bi-weekly, monthly and trimester assessments in the area of ELA. ILC will provide instructional assistance and support individually and by grade level in the areas of engagement strategies, Thinking Maps, writing, technologies, classroom management strategies, and project based activities, etc. Professional Learning Community (PLC) will continue to occur every Thursday during minimum days. Teachers meet to discuss instructional practice, analysis classroom data, assess best practice, and provide interventions to students who are at risk.

Referring to the LCFF Evaluation Rubrics Five-by-Five, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance at the school and/or LEA. What steps is the school planning to take to address these performance gaps?

PERFORMANCE GAPS

Using the Spring 2016 Smarter Balanced Assessment results, Vessels does not have any groups of students two or more levels below the "all student" performance in math. In Language Arts, Students with Disabilities are in the Low performance level and our "all student" level is High. As a school we will look at each individual student and how they are meeting learning goals and progressing toward grade level standards. We are using inclusion as much as possible with support so students with disabilities are exposed to grade level content. We are also focusing intensive interventions in the early grades for students with disabilities, including reading intervention programs. Professional development will also be provided for general education and special education teachers in the area of English Language Arts and how to differentiate instruction.

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the SCHOOL will increase or improve services for low-income students, English learners, and foster youth.

Vessels Elementary; with the centralized support of the Cypress School District, will increase and improve services for low-income students, English Learners, and foster youth. We will increase STEM education, music education, and provide targeted services and support through a certificated Instructional Learning Coach.

INVOLVEMENT PROCESS FOR PLAN AND ANNUAL UPDATE

How, when, and with whom did the school consult as part of the planning process for this plan/Annual Review and Analysis?

School Site Council and English Learner Advisory Committee met five times a year to discuss needs for the following areas: Instructional Program, Safety Plan, School Plan, Parent Training, Safe School Environment, Assessments/Curriculum/Program Effectiveness, training (parents & teachers), Uniform Complaint Procedures, Parent Education Opportunities, Attendance, SPSA Development, SPSA budget, EL Program, R30, Needs assessment, Local control funding Formula and Local control Accountability Plan, etc.

Upon review of assessment data, the instructional Leadership Team will identify strategies to deepen the instructional program for all students, including targeted subgroups.

School parent representative attends district Local control accountability Plan (LCAP) committee meetings.

Teachers and support staff provided input to the school plan in the following areas: Safety Plan, SPSA Development, SPSA budget, EL Program, Staff Development, Assessments/curriculum/Program Effectiveness, Instructional Program, etc.

School Leadership team met to provide input on the school plan and goal areas.

District conducted a district-wide survey (Parents, Staff, and Students) in regards to school environment, student achievement, assessment, etc.

ELAC has representation on the District English Learner Advisory Committee (DE LAC)

Staff and parents were provided with an opportunity to give input via staff meeting, SSC/ELAC, PTA mtg., annual survey and during PLC time. In addition, charts were posted in the staff lounge where all staff member could provide input.

IMPACT ON PLAN AND ANNUAL UPDATE

How did these consultations impact the plan for the upcoming year?

School Site Council and English Language Advisory Committee provided input on the school plan and in relation to the district goals: Literacy, Science, Technology, Communication and Budget & Facilities

Based on the results of the data meetings, teachers will provide interventions necessary to meet the needs of Vessels students.

Parent representative shares information at School Site Council and English Learner Advisory Committee to ensure the school plan aligns with the district plan.

School plan was developed based on teachers and support staff input in relation to the district goals.

Teachers provided input to School site council relating to goal areas and actions.

Results from the school survey will provide necessary information to support school in the areas of discipline, safety of safety, instruction, assessment, etc.

Our LCAP Committee representative provided input to the district LCAP via the LCAP Committee.

Staff input was included in the development of the School Plan.

Identified Need

There is a need to maintain parents/guardians and community as active partners in their child's educational program that welcomes them into the school for engagement and volunteer opportunities. It is identified there is a diverse population at Vessels and there is a need to ensure that all families have access to the school community in a wide variety of ways with open and transparent communication between school and home. In all parent and staff input meetings and in the CYPSP survey data, it was identified that parents feel connected to their school. There is a need to provide expanded and parent education opportunities at a variety of times to meet the demands of the working and stay-at-home parent. All of these outreach efforts will engage parents as partners in the educational process and will serve to strengthen the goals listed throughout this plan, including improving academic achievement, language proficiency, student behavior, and student attendance.

Identified Need

Vessels students are engaged with school and the average attendance rate is 97% overall. There is a need to support students and monitor the chronic absenteeism.

Vessels recognizes the on-going need to provide appropriate behavior interventions. Student discipline and behavioral intervention data indicate there is a need to increase support for students with a multi-tiered support system that will refine behavior management activities, and provide intensive behavioral supports for students with needs in this area. In order to ensure the safety and well-being of all students and staff, school facilities must continue to be maintained in good repair. Continual changes in technologies create the need for periodic updates of communications and maintenance systems. Modern systems ensure adequate infrastructure for safe and efficient learning environments.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the SCHOOL PLAN in reference to the state priorities under *Education Code* sections 52060 and 52066, as applicable to the type of LEA, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in *California Code of Regulations*, title 5, Section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who drop out by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *Education Code* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the SCHOOL PLAN as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *Education Code* Section 42238.01; community members; local bargaining units; SCHOOL personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the SCHOOL to inform the SCHOOL PLAN goal setting process? How was the information made available?
- 4) What changes, if any, were made in the SCHOOL PLAN prior to adoption as a result of written comments or other feedback received by the SCHOOL through any of the LEA's engagement processes?
- 5) What were specific actions taken to meet statutory requirements for stakeholder engagement pursuant to *Education Code* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *Education Code* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *Education Code* sections 42238.01 and by groups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *Education Code* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *Education Code* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Vessels Elementary Parent Involvement Policy

Vessels Elementary School has developed a written parental involvement policy which is available electronically via the school website. Vessels Elementary School Parent Involvement Policy describes the means for carrying out parental involvement requirements.

Involvement of Parents in the School

1. Convenes an annual Back to School Meeting to inform parents of their right to be involved in their child's educational program.
2. Offers a flexible number of parent meetings/education opportunities to help parents partner in their child's educational experience. Opportunities include, but are not limited to Family Nights; parent training in the areas of English Language Arts and Math; information sessions on California State Standards, State Testing, 21st Century Learners, Standards Based Grading, and Positive Behavior Intervention Systems; and opportunities to volunteer in the classroom.
3. Involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of its programs and the parental involvement policy. This occurs through School Site Council meetings, English Language Advisory Committee meetings, and PTA meetings.
4. Provides parents with timely information about school programs through newsletters, flyers, weekly emails, automated phone calls home, website links, and letters home.
5. Provides parents with an explanation of the curriculum, assessments, and proficiency levels students are expected to meet through parent meetings, literature, parent conferences, information sessions, and links on the school website.
6. Provides parents with opportunities to participate in decisions relating to the education of their children through parent meetings and conferences, communication logs, emails, and phone calls.

Building Capacity for Involvement

Vessels Elementary School engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school does the following:

1. Assists in helping a parent to understand academic content standards, assessments, and how to monitor and improve the achievement of their children by providing parent training, sharing digital and hard copy resources, encouraging parent volunteerism, and conducting parent conferences.
2. Provides materials and training to help parents work with their children to improve their children's achievement by offering parent training, providing links to valuable curricular resources such as BrainPop and Education City, and sharing hard copies of resources to help equip parents to work with their children.
3. Educates staff on the value of parent contributions and how to work with parents as equal partners by providing training at staff meetings, hosting Family Nights, and sharing digital and hard copy resources with staff about parental involvement.
4. Distributes to parents information related to school and parent programs, meetings, and other activities in a form and language that the parents understand by utilizing the district translator.
5. Solicits parent input at School Site Council meetings and PTA meetings about the types of parental involvement activities offered and use that input to planning future offerings.

Accessibility

Vessels Elementary School provides opportunities for all parents to participate, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. This includes providing information and school reports in a form and language parents understand.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

☒ English Learner Advisory Committee _____ Signature

☐ Other committees established by the school or district (list) _____ Signature

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on: _____
