BETWEEN
SACRAMENTO COUNTY OFFICE OF EDUCATION
AND TWIN RIVERS UNIFIED SCHOOL DISTRICT**

THOUSAND STRONG DISTRICT FINANCIAL AGREEMENT

This Memorandum of Understanding (MOU) is entered into between the Sacramento County Office of Education (SCOPE) and Twin Rivers Unified District (District) dated June 5, 2017 for reference purposes only.

District's students are participating in the City of Sacramento's (City's) Thousand Strong program - a paid internship program that matches young, talented students with businesses and readies them for success on the job. District will provide matching funds to pay community based organizations (CBOs) who are providing job training and/or support services to District's students in the Thousand Strong program.

SCOPE will manage District funds and disburse them to CBOs for the provision of such services pursuant to the terms in this agreement. City is the lead agency on the Thousand Strong program.

Accordingly, the parties agree as follows:

GENERAL PROVISIONS

- A. Term. This MOU takes effect when executed by both parties, as indicated by the dates in the signature blocks below, and terminates on June 30, 2018.
- B. The parties agree to the following roles and responsibilities:
 - 1. District shall provide \$150,000 to SCOPE by June 30, 2017, to support its students in the Thousand Strong Program (District Funds).
 - a. District is responsible for ensuring that any funds provided to SCOPE for the Thousand Strong program may be properly expended for such purpose and are not otherwise obligated or restricted by the funding source. District agrees to defend and indemnify SCOPE and the City against any claims or damages arising from allegation that District funds were misallocated to Thousand Strong. This provision includes any audit findings related to District's allocation of District Funds to Thousand Strong. This provision shall survive the termination of the agreement.
 - 2. SCOPE shall reimburse CBOs upon completion of designated Thousand Strong benchmarks, which are established and monitored by City, in accordance with the following ratios established by the City:

- a. One District dollar for every City dollar (1:1) for high school juniors or seniors who are at least 16 years old by June 16, 2017, and attend one of the following District high schools within the City:

- Foothill High School
- Grant Union High School
- Keema High School (Elwood J.)
- Vista Nueva Career and Technical High School

- b. Three District dollars for every City dollar (3:1) for high school juniors or seniors who are at least 16 years old by June 16, 2017, and attend one of the following District high schools outside the City:

- Creative Connections Arts Academy
- Highlands High School
- Pacific Career and Technology High School
- Rio Linda High School

- c. SCOE will reimburse CBOs for serving District students who have been pre-approved by the City to participate but do not fall into one of the foregoing categories at the ratio established by the City.

3. SCOE will provide a quarterly report to District at the address provided in section F below. The report will detail the amount of District Funds expended, amount of District Funds remaining, and the amount of the City funds expended on District students. Upon District request, SCOE will report on the number of District's students completing each of the Thousand Strong benchmarks: 1) pre-employment training and placement; 2) a designated number of initial hours of employment; 3) a designated number of additional employment hours; 4) post-employment hard skills training.

4. SCOE shall retain 8.9% of District Funds to cover its indirect costs of administering the program.

5. SCOE will return any unused District Funds to the District at the end of the Term.

C. Termination of the Agreement. This MOU is contingent upon City's operation of the Thousand Strong program and may be terminated or modified immediately upon notification that City intends to reduce or eliminate funding or terminate a party's participation in Thousand Strong.

In the event of a material breach of this MOU, an aggrieved party may terminate this MOU by giving 15 days prior written notice of termination to the other party. District's termination of this MOU may result in its students being disqualified from the Thousand Strong program.

- D. Modification. This MOU constitutes the entire agreement and understanding of the parties. All prior understandings, terms or conditions are deemed merged into this MOU. Any changes to this MOU must be agreed to in writing by all parties.
- E. Confidentiality. Each party shall be responsible for maintaining the confidentiality of student data to the extent required by law. If either party fails to comply with this requirement it shall hold the non-offending party harmless and indemnify that party for the breach of confidentiality.
