Dear Follett Customer:

Follett invests in providing regular updates each year for our Destiny® products. We recently introduced significant new capabilities in our Destiny 14.0 and 14.5 releases this school year. We also plan to make new classroom functionality available for the 2017-2018 school year as part of an upcoming Destiny Library Manager™ update.

To address your budgeting needs, we want to inform you in advance of a 5% increase in your annual Destiny renewal pricing, starting with periods beginning after July 1, 2017. This increase applies to the following products and services:

- Destiny Library Manager™
- Destiny Resource Manager™
- Destiny Textbook Manager™

Your next renewal quote or invoice, beginning July 1, 2017, will reflect the increase. If you've paid support renewals for a period beginning prior to July 1, 2017, please be aware that your increase will be reflected in your next renewal notice.

We will not increase renewal pricing on any other add-on subscriptions services that are available for Destiny, including TitlePeek, WebPath Express, Standards or Reading Program Services.

We are dedicated to continuous improvement of our products, and this change will ensure we can provide you with the best products and services that you have come to rely on from Follett.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Gatsis", with a stylized flourish at the end.

George Gatsis
Sr. Vice President of Technology Platforms
