

RESOLUTION NO. 691
A RESOLUTION OF THE TWIN RIVERS UNIFIED SCHOOL DISTRICT BOARD OF TRUSTEES
McClellan, California

School Safety

WHEREAS, our public schools are charged not only with supporting student achievement, but also providing a foundation for mental and physical health, personal growth and civic engagement; and

WHEREAS, student safety is a prerequisite for consistently high levels of academic and social development; and

WHEREAS, violence and harassment cannot only alienate students from their peers and their environment, thereby impeding learning, but also cause injuries and fatalities; and

WHEREAS, in its May 2017 study, Indicators of School Crime and Safety: 2016, the National Center for Education Statistics found that 21 percent of students aged 12 to 18 said they were bullied at school; and

WHEREAS, the horrific prospect of school shootings made an indelible impression on national consciousness with the Columbine massacre of 1999; and

WHEREAS, gun violence on school campuses, while relatively rare, represents a particularly egregious and unacceptable threat to the lives of students, teachers and staff across the country; and

WHEREAS, the recent massacre at Parkland Florida's Marjory Stoneman Douglas High School took 17 lives and shocked the conscience of the nation; and

WHEREAS, gun violence in schools occurs in America with a frequency and a severity that is unparalleled anywhere in the world; and

WHEREAS, exposure to trauma can adversely affect a child's health for the rest of his or her life; and

WHEREAS, students and staff have the right to attend schools that are safe and free from violence and harassment, especially life-threatening forms of violence; and

WHEREAS, all students, regardless of background, deserve access to services that support and enhance their physical, mental and emotional health; and

WHEREAS, safe schools provide an environment where teaching and learning can flourish; disruptions are minimized; violence, bullying and fear are absent; students are not discriminated against; expectations for behavior are clearly communicated and standards of behavior are maintained; and consequences for infractions are consistently and fairly applied; and

WHEREAS, the most effective approach to creating safe school environments is a comprehensive, coordinated effort including school-wide, district-wide and community-wide strategies supplemented with legislation, resources and support at the state and federal legislation level;

NOW, THEREFORE BE IT RESOLVED, that the governing board of the Twin Rivers Unified School District (TRUSD) has completed and holds regular drills as prescribed in both school site and district

emergency plans and that said plans involve all school district personnel, law enforcement, fire and medical rescue personnel, emergency management personnel and others essential to preventing, mitigating or resolving any potential crisis.

BE IT FURTHER RESOLVED, that TRUSD reviews school site discipline rules and procedures to ensure they are appropriately enforced and that student handbooks explaining codes of conduct, unacceptable behavior and disciplinary consequences are given to all students, parents and caregivers.

BE IT FURTHER RESOLVED, that TRUSD will continue to work with a broad spectrum of local community stakeholders, local law enforcement, mental health professionals, parents, students, teachers and staff to take any threats of violence seriously and to develop, implement and monitor policies, procedures and programs that foster and support a positive school climate, free from harassment and violence.

BE IT FURTHER RESOLVED, that TRUSD urges the state of California and the United States Congress to invest in wraparound services to prevent bullying, harassment, discrimination and violence in our schools and to provide funding for programs and staff such as counselors, nurses and psychologists, that support students' mental, physical and emotional health.

BE IT FURTHER RESOLVED, that TRUSD asks the United States Congress to pass specific legislation that reduces the risk and severity of gun violence on school campuses and repeals the prohibition against data collection and research on gun violence by the U.S. Center for Disease Control (CDC).

BE IT FURTHER RESOLVED, that TRUSD urges the state of California and the United States Congress to implement commonsense measures that prioritize student safety and environments where all students have the opportunity to learn, grow and thrive.
