ARTICLE II

THE SERIES B BONDS

SECTION 2.01. *Authorization.* The Board hereby authorizes the issuance of the Series B Bonds in an aggregate principal amount not to exceed \$29,000,000 under and subject to the terms of Article XIII A, Section 1 paragraph (b) of the California Constitution, the Bond Law and this Resolution, for the purpose of raising money for the acquisition or improvement of educational facilities in accordance with the Bond Measure and to pay Costs of Issuance. This Resolution constitutes a continuing agreement between the District and the Owners of all of the Series B Bonds issued or to be issued hereunder and then Outstanding to secure the full and final payment of principal thereof and interest and premium, if any, on all Series B Bonds, subject to the covenants, agreements, provisions and conditions herein contained. The Series B Bonds may be issued as Current Interest Bonds, Capital Appreciation Bonds and/or Convertible Capital Appreciation Bonds, or any combination thereof, and may be issued in one or more series as tax-exempt and/or taxable bonds, and shall be designated the "Coalinga-Huron Joint Unified School District (Fresno, Monterey and San Benito Counties, California) General Obligation Bonds, Election of 2016, Series B" together with such additional series designation as is approved by a District Representative to identify the Series B Bonds more particularly.

SECTION 2.02. *Terms of Series B Bonds.*

(a) Terms of Current Interest Bonds. The Current Interest Bonds will be issued as fully registered bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Current Interest Bonds maturing in the year of maturity of the Current Interest Bond for which the denomination is specified. Current Interest Bonds will be lettered and numbered as the Paying Agent may prescribe. The Current Interest Bonds will be dated as of the Closing Date.

Interest on the Current Interest Bonds is payable semiannually on each Interest Payment Date. Each Current Interest Bond will bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it will bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the Record Date preceding such Interest Payment Date, in which event it will bear interest from such Interest Payment Date, or (iii) it is authenticated prior to the first Record Date, in which event it will bear interest from the Closing Date. Notwithstanding the foregoing, if interest on any Current Interest Bond is in default at the time of authentication thereof, such Current Interest Bond will bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

(b) Terms of Capital Appreciation Bonds. The Capital Appreciation Bonds will be issued in fully registered form without coupons in denominations of \$5,000 in Maturity Values or any integral multiple thereof (except that one Capital Appreciation Bond may be issued in a denomination the Maturity Value of which is not an integral multiple of \$5,000), maturing on August 1 in each of the years and in the maturity amounts as will be determined upon the sale thereof. Interest on the Capital Appreciation Bonds compounds on each Compounding Date at the respective Accretion Rates to be determined upon the

sale thereof, and is payable solely at maturity or upon earlier redemption thereof as hereinafter provided.

Each Capital Appreciation Bond will be dated as of the Closing Date. The Accreted Value of the Capital Appreciation Bonds and any redemption premium thereon will be payable solely at maturity or earlier redemption thereof to the Owners thereof upon presentation and surrender thereof at the Office of the Paying Agent. The Accreted Value of the Capital Appreciation Bonds will be payable in lawful money of the United States of America upon presentation and surrender thereof at the Office of the Paying Agent.

(c) Terms of Convertible Capital Appreciation Bonds. The Convertible Capital Appreciation Bonds (if any) will be issued in fully registered form without coupons. Interest on the Convertible Capital Appreciation Bonds will initially accrete on the original Denominational Amount thereof, compounded on each Compounding Date to and including the Conversion Date thereof. On the Conversion Date of any Convertible Capital Appreciation Bond, the interest on such Convertible Capital Appreciation Bond will convert to current interest, accruing on the Conversion Value thereof, payable as set forth under subsection (a) above.

Each Convertible Capital Appreciation Bond will be dated as of the Closing Date. The Convertible Capital Appreciation Bonds will mature on August 1 in each of the years and in the Conversion Values as will be determined upon the sale thereof.

(d) Maturities; Basis of Interest Calculation. The Series B Bonds will mature on August 1 in the years and in the amounts, and will accrue or accrete interest at the rates, as determined upon the sale thereof as provided in the Bond Purchase Agreement. The limits set forth in Section 3.01 relating to the maximum maturity and interest rates prescribed by the Bond Law and this Board shall be set forth in the Bond Purchase Agreement. Interest on the Series B Bonds will be calculated on the basis of a 360-day year comprised of twelve 30-day months.

(e) CUSIP Identification Numbers. CUSIP identification numbers will be imprinted on the Series B Bonds, but such numbers do not constitute a part of the contract evidenced by the Series B Bonds and any error or omission with respect thereto will not constitute cause for refusal of any purchaser to accept delivery of and pay for the Series B Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Series B Bonds will not constitute an event of default or any violation of the District's contract with such Owners and will not impair the effectiveness of any such notice.

(f) Interest Rates. The interest rates to be born by each maturity of the Series B Bonds shall not exceed the legal limit of 8 percent. Upon the sale of the Series B Bonds, the District may identify maturities of the Series B Bonds, if any, which include step-up coupons, provided that said coupons are within said required legal limits.

(g) Payment. Interest on the Series B Bonds (including the final interest payment upon maturity or redemption) is payable by check, draft or wire of the Paying Agent mailed to the Owner thereof (which will be DTC so long as the Series B Bonds are held in the book-entry system of DTC) at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; except that at the written request of the Owner of at least \$1,000,000 aggregate principal amount of the Series B

Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Series B Bonds will be paid on the succeeding Interest Payment Date to such account as will be specified in such written request. Principal of and premium (if any) on the Series B Bonds is payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent.

(h) Provisions of Bond Purchase Agreement to Control. Notwithstanding the foregoing provisions of this Section and the following provisions of Section 2.03, any of the terms of the Series B Bonds may be established or modified under the Bond Purchase Agreement or other document governing the sale of the Series B Bonds. In the event of a conflict or inconsistency between this Resolution and the Bond Purchase Agreement or other document of sale relating to the terms of the Series B Bonds, the provisions of the Bond Purchase Agreement or other document of sale will be controlling.

SECTION 2.03. *Redemption of Series B Bonds.*

(a) Optional Redemption Dates and Prices. The Series B Bonds are subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as designated by the District and by lot within a maturity, from any available source of funds, commencing on the date designated in the Bond Purchase Agreement, at the respective redemption prices as shall be designated in the Bond Purchase Agreement.

(b) Mandatory Sinking Fund Redemption. If the Bond Purchase Agreement specifies that any one or more maturities of the Series B Bonds are term bonds which are subject to mandatory sinking fund redemption, each such maturity of Series B Bonds shall be subject to such mandatory sinking fund redemption on August 1 in each of the years and in the respective principal amounts as set forth in the Bond Purchase Agreement, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If any such term bonds are redeemed under the provisions of the preceding clause (a), the total amount of all future payments under this subsection (b) with respect to such term bonds shall be reduced by the aggregate principal amount of such term bonds so redeemed, to be allocated among such payments in integral multiples of \$5,000 in the manner determined by the District as set forth in written notice given by the District to the Paying Agent.

(c) Selection of Series B Bonds for Redemption. Whenever less than all of the Outstanding Series B Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Series B Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Current Interest Bond will be deemed to consist of individual bonds of \$5,000 portions (principal amount, Maturity Value or Conversion Value, as applicable). The Series B Bonds may all be separately redeemed.

(d) Redemption Procedure. The Paying Agent will cause notice of any redemption to be mailed, first class mail, postage prepaid, at least 20 days but not more than 60 days prior to the date fixed for redemption, to the respective Owners of any Series B Bonds designated for redemption, at their addresses appearing on the Registration Books. Such mailing is not a condition precedent to such redemption and the failure to mail or to receive any such notice will not affect the validity of the proceedings for the

redemption of such Series B Bonds. In addition, the Paying Agent will give notice of redemption by telecopy or certified, registered or overnight mail to the Municipal Securities Rulemaking Board and each of the Securities Depositories at least two days prior to such mailing to the Series B Bond Owners.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Series B Bonds are to be called for redemption, shall designate the serial numbers of the Series B Bonds to be redeemed by giving the individual number of each Series B Bond or by stating that all Series B Bonds between two stated numbers, both inclusive, or by stating that all of the Series B Bonds of one or more maturities have been called for redemption, and shall require that such Series B Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Series B Bonds will not accrue from and after the redemption date.

Upon surrender of Series B Bonds redeemed in part only, the District shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Series B Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Series B Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Series B Bonds so called for redemption have been duly provided, the Series B Bonds called for redemption will cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in the notice. The Paying Agent will cancel all Series B Bonds redeemed under this Section and will furnish a certificate of cancellation to the District.

(e) Right to Rescind Notice of Redemption. The District has the right to rescind any notice of the optional redemption of Series B Bonds under subsection (a) of this Section by written notice to the Paying Agent on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Series B Bonds then called for redemption. The District and the Paying Agent shall have no liability to the Series B Bond Owners or any other party related to or arising from such rescission of redemption. The Paying Agent shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under subsection (d) of this Section.

SECTION 2.04. *Form of Series B Bonds.* The Current Interest Bonds, the Capital Appreciation Bonds and the Convertible Capital Appreciation Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon will be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution and the Bond Purchase Agreement, as are set forth in Appendix A attached hereto.

SECTION 2.05. *Execution of Series B Bonds.* The Series B Bonds shall be signed by the facsimile signature of the President of the Board and shall be attested by the

facsimile signature of the Secretary of the Board. Only those Series B Bonds bearing a certificate of authentication and registration in the form set forth in Appendix A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent is conclusive evidence that the Series B Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

SECTION 2.06. *Transfer of Series B Bonds.* Subject to Section 2.10, any Series B Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series B Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The District may charge a reasonable sum for each new Series B Bond issued upon any transfer.

Whenever any Series B Bond or Bonds is surrendered for transfer, the District shall execute and the Paying Agent shall authenticate and deliver a new Series B Bond or Bonds, for like aggregate principal amount. No transfers of Series B Bonds shall be required to be made (a) 15 days prior to the date established by the Paying Agent for selection of Series B Bonds for redemption or (b) with respect to a Series B Bond which has been selected for redemption.

SECTION 2.07. *Exchange of Series B Bonds.* Series B Bonds may be exchanged at the principal Office of the Paying Agent for a like aggregate principal amount of Series B Bonds of authorized denominations and of the same maturity, together with a request for exchange signed by the owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. The District may charge a reasonable sum for each new Series B Bond issued upon any exchange (except in the cases of any exchange of temporary Series B Bonds for definitive Series B Bonds). No exchange of Series B Bonds is required to be made (a) 15 days prior to the date established by the Paying Agent for selection of Series B Bonds for redemption or (b) with respect to a Series B Bond after it has been selected for redemption.

SECTION 2.08. *Registration Books.* The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Series B Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Series B Bonds as herein before provided.

SECTION 2.09. *Book-Entry System.* Except as provided below, DTC shall be the Owner of all of the Series B Bonds, and the Series B Bonds shall be registered in the name of Cede & Co. as nominee for DTC. The Series B Bonds shall be initially executed and delivered in the form of a single fully registered Series B Bond for each maturity date of the Series B Bonds in the full aggregate principal amount of the Series B Bonds maturing on such date. The Paying Agent and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Series B Bonds registered in its name for all purposes of this Resolution, and neither the Paying Agent nor the District shall be affected by any notice to the contrary. The Paying Agent and the District have no responsibility or obligation to any Depository System Participant, any person claiming a beneficial

ownership interest in the Series B Bonds under or through DTC or a Depository System Participant, or any other person which is not shown on the register of the District as being an owner, with respect to the accuracy of any records maintained by DTC or any Depository System Participant or the payment by DTC or any Depository System Participant by DTC or any Depository System Participant of any amount in respect of the principal or interest with respect to the Series B Bonds. The District shall cause to be paid all principal and interest with respect to the Series B Bonds only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal and interest with respect to the Series B Bonds to the extent of the sum or sums so paid. Except under the conditions noted below, no person other than DTC shall receive a Series B Bond. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the term "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

If the District determines that it is in the best interest of the beneficial owners that they be able to obtain Series B Bonds and delivers a written certificate to DTC and the District to that effect, DTC shall notify the Depository System Participants of the availability through DTC of Series B Bonds. In such event, the District shall issue, transfer and exchange Series B Bonds as requested by DTC and any other owners in appropriate amounts.

DTC may determine to discontinue providing its services with respect to the Series B Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the District shall be obligated to deliver Series B Bonds as described in this Resolution. Whenever DTC requests the District to do so, the District will cooperate with DTC in taking appropriate action after reasonable notice to (a) make available one or more separate Series B Bonds evidencing the Series B Bonds to any Depository System Participant having Series B Bonds credited to its DTC account or (b) arrange for another securities depository to maintain custody of certificates evidencing the Series B Bonds.

Notwithstanding any other provision of this Resolution to the contrary, so long as any Series B Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal and interest with respect to such Series B Bond and all notices with respect to such Series B Bond shall be made and given, respectively, to DTC as provided in the representation letter delivered on the date of issuance of the Series B Bonds.

Section 2.10. *Transfer Under Book-Entry System: Discontinuation of Book-Entry System.* Registered ownership of the Series B Bonds, or any portion thereof, may not be transferred except as follows:

- (i) To any successor of Cede & Co., as nominee of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a "substitute depository"); *provided that* any successor of Cede & Co., as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

- (ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or
- (iii) To any person upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

The Series B Bonds shall be sold pursuant to the Bond Purchase Agreement in substantially the form on file with the Clerk of the Board with such changes therein, deletions therefrom and modifications thereto as a District Representative may approve, such approval to be conclusively evidenced by the execution and delivery of the Bond Purchase Agreement; provided that the Bond Purchase Agreement shall contain the following terms:

- (i) the Series B Bonds shall bear a rate of interest or Accretion Rate of not to exceed 8 percent per annum;
- (ii) Current Interest Bonds shall have a final maturity date of 40 years or less from the date of issuance (subject to subsection (f) below), and Capital Appreciation Bonds and Convertible Capital Appreciation Bonds shall have a final maturity date of 25 years or less from the date of issuance;
- (iii) the Series B Bonds shall have a ratio of total debt service to principal of not to exceed four to one;

- (iv) the Series B Bonds which are Capital Appreciation Bonds and Convertible Capital Appreciation Bonds shall be subject to redemption prior to maturity at the option of the District, at the Accreted Value or Conversion Value thereof, as applicable, beginning no later than 10 years following the issuance of the Series B Bonds; and
- (v) the Underwriter's discount shall not exceed 0.6% of the principal amount of the Series B Bonds.

The Board hereby authorizes a District Representative to execute and deliver the final form of the Bond Purchase Agreement in the name and on behalf of the District.

(b) Reasons for Negotiated Sale. In accordance with Section 53508.7 of the Bond Law, the Board has determined to authorize the sale of the Series B Bonds at negotiated sale for the following reasons: (a) the District requires flexibility in determining whether the Bonds will be issued as Current Interest Bonds, Capital Appreciation Bonds, Convertible Capital Appreciation Bonds, or a combination thereof, and a negotiated sale provides flexibility to make such determination at the time of the bond sale, (b) a negotiated sale provides more flexibility to choose the time and date of the sale which is advantageous in a volatile municipal bond market, and (c) a negotiated sale will permit the time schedule for the issuance and sale of the Series B Bonds to be expedited. A District Representative is hereby authorized to acknowledge a copy of the disclosure made by the selected Underwriter in compliance with Municipal Securities Rulemaking Board Rule G-17.

(c) Official Statement. The Board hereby approves, and hereby deems final within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934, the Preliminary Official Statement describing the Series B Bonds in substantially the form on file with the Clerk of the Board. A District Representative is hereby authorized to execute an appropriate certificate stating the Board's determination that the Preliminary Official Statement has been deemed nearly final within the meaning of such Rule. A District Representative is hereby authorized and directed to approve any changes in or additions to a final form of said Official Statement, and the execution thereof by a District Representative shall be conclusive evidence of his or her approval of any such changes and additions. The Board hereby authorizes the distribution of the Official Statement by the Underwriter. The final Official Statement shall be executed in the name and on behalf of the District by a District Representative.

(d) Estimates Regarding Assessed Valuations. As provided in Section 3.01(a), the Series B Bonds which are Current Interest Bonds shall have a term of not to exceed 40 years from the date of issuance, and the Series B Bonds which are Capital Appreciation Bonds or Convertible Capital Appreciation Bonds shall have a term of not to exceed 25 years from the date of issuance, and the repayment ratio for the Series B Bonds shall not exceed four to one. As provided in Education Code Section 15270, the Series B Bonds may only be issued if the District projects at the time of issue that the tax rate levied to pay debt service on the Series B Bonds, together with other bonds issued pursuant to the Bond Measure, would not exceed \$60 per \$100,000 of assessed valuation. In making such projection, the District has estimated certain annual increases in the assessed value of taxable property within the District. The assumed annual increases are set forth in Exhibit B hereto.

(e) Finding Regarding Useful Life. The Board hereby authorizes the issuance of Current Interest Bonds which have a maturity greater than 30 years but not greater than 40 years pursuant to Government Code Section 53508.6 only if the useful life of the facility financed with the proceeds of the Series B Bonds equals or exceeds the maturity date of those Series B Bonds. A District Representative who is familiar with the projects to be financed with the proceeds of the Series B Bonds is authorized to make such determination and to execute a certificate to such effect in the event the Current Interest Bonds have a maturity greater than 30 years.

(f) Actions to Close Bond Issuance. Each District Representative and any and all other officers of the District are each authorized and directed in the name and on behalf of the District to execute and deliver any and all certificates, requisitions, agreements, notices, consents, warrants and other documents, which they or any of them might deem necessary or appropriate in order to consummate the lawful issuance, sale and delivery of the Series B Bonds, including but not limited to the execution and delivery of a document with respect to the engagement of the Paying Agent appointed hereby, and the payment of Costs of Issuance. Whenever in this Resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf if such officer is absent or unavailable.

SECTION 3.02. *Application of Proceeds of Sale of Series B Bonds.* The proceeds of the Series B Bonds shall be paid to the County Treasurer (excluding amounts to be used to pay some or all of the Costs of Issuance, which may be deposited as described in Section 3.05) on the Closing Date, and shall be applied by the County Treasurer as follows:

- (a) The portion of the proceeds representing the premium (if any) received by the County Treasurer on the sale of the Series B Bonds will be deposited in the Debt Service Fund established pursuant to Section 4.02.
- (b) All remaining proceeds received by the County Treasurer from the sale of the Series B Bonds will be deposited in the Building Fund established pursuant to Section 3.03.

At the option of the District, a portion of the proceeds to be used to pay Costs of Issuance may be deposited with a fiscal agent selected by the District, as provided in Section 15146(g) of the Education Code, as directed by the District, in order to facilitate the payment of Costs of Issuance.

SECTION 3.03. *Building Fund.* The County Treasurer shall create and maintain a fund designated as the "Coalinga-Huron Joint Unified School District, Series B Building Fund," into which the proceeds from the sale of the Series B Bonds shall be deposited, to the extent required under Section 3.02(b). The County Treasurer shall maintain separate accounting for the proceeds of the Series B Bonds, including all earnings received from the investment thereof. Amounts credited to the Building Fund for the Series B Bonds shall be expended by the District solely for the financing of projects for which the Series B Bond proceeds are authorized to be expended under the Bond Measure (which includes related Costs of Issuance). All interest and other gain arising from the investment of

proceeds of the Series B Bonds shall be retained in the Building Fund and used for the purposes thereof. Pursuant to a Written Certificate of the District filed with the County Treasurer, any amounts remaining on deposit in the Building Fund and not needed for the purposes thereof shall be withdrawn from the Building Fund and transferred to the Debt Service Fund, to be applied to pay the principal of and interest on the Series B Bonds.

If excess amounts remain on deposit in the Building Fund after payment in full of the Series B Bonds, any such excess amounts shall be transferred to the general fund of the District, to be applied for the purposes for which the Series B Bonds have been authorized or otherwise in accordance with the Bond Law.

SECTION 3.04. *Professionals; Estimated Financing Costs.* The firm of Jones Hall, A Professional Law Corporation, has previously been engaged to act as the District's bond counsel and disclosure counsel, and the firm of Isom Advisors, a Division of Urban Futures, Inc., has previously been engaged to act as the District's financial advisor, in connection with the issuance and sale of the Series B Bonds. The estimated costs of issuance associated with the bond sale are \$175,000, which includes bond counsel and disclosure counsel fees, costs of printing the Official Statement, financial advisor fees, rating agency fees, and paying agent fees, but which do not include underwriting fees and the cost of municipal bond insurance, if obtained.

SECTION 3.05. *Costs of Issuance Agreement.* In order to facilitate the payment of all or some Costs of Issuance, the Board hereby authorizes a District Representative to enter into or acknowledge an agreement, designating a bank identified therein, to serve as a custodian for receipt of a portion of the proceeds of the Series B Bonds to pay all or a portion of Costs of Issuance.

ARTICLE IV

SECTION 4.01. *Security for the Series B Bonds.* The Series B Bonds are general obligations of the District. The Board has the power to direct each of the Counties to levy *ad valorem* taxes upon all property within the District that is subject to taxation by the District, without limitation of rate or amount (except certain personal property which is taxable at limited rates), for the payment of the Series B Bonds and the interest and redemption premium (if any) thereon. The District hereby directs each of the Counties to levy on all the taxable property in the District, in addition to all other taxes, a continuing direct and *ad valorem* tax annually during the period the Series B Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Series B Bonds when due, including the principal of any Series B Bonds upon the mandatory sinking fund redemption thereof under Section 2.03(b), which moneys when collected will be paid to the County Treasurer and placed in the Debt Service Fund.

The principal of and interest and redemption premium (if any) on the Series B Bonds does not constitute a debt of the County, the State of California, or any of its political subdivisions other than the District, or any of the officers, agents or employees thereof.

Neither the County, the State of California, any of its political subdivisions nor any of the officers, agents or employees thereof are liable for the Series B Bonds.

The District will supply the Auditor-Controllers of the Counties with the necessary information regarding the scheduled debt service for the Series B Bonds, so that each may, on a timely basis, levy *ad valorem* taxes, as provided in Section 15250 of the Education Code, to enable the District to punctually pay, or cause to be paid, the principal of and interest on the Series B Bonds in conformity with the terms of the Series B Bonds and of this Resolution.

SECTION 4.02. *Establishment of Debt Service Fund.* The District hereby directs the County Treasurer to establish, hold and maintain a fund to be known as the "Coalinga-Huron Joint Unified School District, Series B Debt Service Fund", which the County Treasurer shall maintain as a separate account, distinct from all other funds of the County and the District. All taxes levied by the Counties at the request of the District for the payment of the principal of and interest and premium (if any) on the Series B Bonds shall be deposited in the Debt Service Fund by the County Treasurer promptly upon apportionment of said levy.

The Debt Service Fund is hereby pledged for the payment of the principal of and interest on the Series B Bonds when and as the same become due, including the principal of any term Series B Bonds required to be paid upon the mandatory sinking fund redemption thereof. Amounts in the Debt Service Fund shall be transferred by the County to the Paying Agent to the extent required to pay the principal of and interest and redemption premium (if any) on the Series B Bonds when due. In addition, amounts on deposit in the Debt Service Fund shall be applied to pay the fees and expenses of the Paying Agent insofar as permitted by law, including specifically by Section 15232 of the Education Code.

SECTION 4.03. *Disbursements From Debt Service Fund.* The County Treasurer shall administer the Debt Service Fund and make disbursements therefrom in the manner set forth in this Section. The County Treasurer shall transfer amounts on deposit in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Series B Bonds when due and payable, to the Paying Agent which, in turn, shall pay such moneys to DTC to pay the principal of and interest on the Series B Bonds. DTC will thereupon make payments of principal and interest on the Series B Bonds to the DTC Participants who will thereupon make payments of principal and interest to the beneficial owners of the Series B Bonds. Any moneys remaining in the Debt Service Fund after the Series B Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District, as provided in Section 15234 of the Education Code.

SECTION 4.04. *Investments.* All moneys held in any of the funds or accounts established with the County hereunder will be invested in Authorized Investments in accordance with the investment policies of the County, as such policies exist at the time of investment. Obligations purchased as an investment of moneys in any fund or account will be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder will be deposited in the fund or account from which such investment was made, and will be expended for the purposes thereof. The County Treasurer has no responsibility in the reporting, reconciling and monitoring of the investment of the proceeds of the Bonds.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the fund or account from which such investment was made, and shall be expended for the purposes thereof. The District agrees that all investments of amounts deposited in any fund or account created by or under this Resolution, or otherwise containing proceeds of the Series B Bonds, shall be acquired and disposed of at the Fair Market Value thereof. For purposes of this Section, the term "Fair Market Value" shall mean, with respect to any investment, the price at which a willing buyer would purchase such investment from a willing seller in a bona fide, arm's length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term "Fair Market Value" means the acquisition price in a bona fide arm's length transaction (as described above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security - State and Local Government Series that is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

SECTION 5.04. *Tax Covenants.*

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Series B Bonds are not so used as to cause the Series B Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Series B Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or the Counties or otherwise, any action with respect to the proceeds of the Series B Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date would have caused the Series B Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Tax Code.

(d) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Series B Bonds from the gross income of the Owners of the Series B Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

SECTION 5.05. *Continuing Disclosure.* The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, which shall be executed by a District Representative and delivered on the Closing Date. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate does not constitute a default by the District hereunder or under the Series B Bonds; however, any Participating Underwriter (as that term is defined in the Continuing Disclosure Certificate) or any holder or beneficial owner of the Series B Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

SECTION 5.07. *Further Assurances.* The District will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Resolution, and for the better assuring and confirming unto the Owners of the Series B Bonds of the rights and benefits provided in this Resolution.

ARTICLE VI

THE PAYING AGENT

SECTION 6.01. *Appointment of Paying Agent.* The Bank of New York Mellon Trust Company, N.A. is hereby appointed to act as Paying Agent for the Series B Bonds and, in such capacity, shall also act as registration agent and authentication agent for the Series B Bonds. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in this Resolution, and even during the continuance of an event of default with respect to the Series B Bonds, no implied covenants or obligations shall be read into this Resolution against the Paying Agent. The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the District by executing and delivering to the District a certificate or agreement to that effect.

The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor, if not the County, shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least \$50,000,000, and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, under law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section 6.01 the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Paying Agent may at any time resign by giving written notice to the District and the Series B Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor Paying Agent by an instrument in writing. Any resignation or removal of the Paying Agent and appointment of a successor Paying Agent will become effective upon acceptance of appointment by the successor Paying Agent.

SECTION 6.02. *Paying Agent May Hold Series B Bonds.* The Paying Agent may become the owner of any of the Series B Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

SECTION 6.03. *Liability of Agents.* The recitals of facts, covenants and agreements herein and in the Series B Bonds contained shall be taken as statements, covenants and agreements of the District, and the Paying Agent assumes no responsibility for the correctness of the same, nor makes any representations as to the validity or sufficiency of this Resolution or of the Series B Bonds, nor shall incur any responsibility in respect thereof, other than as set forth in this Resolution. The Paying Agent is not liable in connection with the performance of its duties hereunder, except for its own negligence or willful default.

In the absence of bad faith, the Paying Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Paying Agent and conforming to the requirements of this Resolution.

The Paying Agent is not liable for any error of judgment made in good faith by a responsible officer of its corporate trust department in the absence of the negligence of the Paying Agent.

No provision of this Resolution shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Paying Agent may execute any of the powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Paying Agent is not responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

SECTION 6.04. *Notice to Paying Agent.* The Paying Agent may rely and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The Paying Agent may consult with counsel, who may be counsel to the District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Resolution the Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Paying Agent, be deemed to be conclusively proved and established by a certificate of the District, and such certificate shall be full warrant to the Paying Agent for any action taken or suffered under the provisions of this Resolution upon the faith thereof, but in its discretion the Paying Agent may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

SECTION 6.05. *Compensation; Indemnification.* The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

ARTICLE VII

REMEDIES OF SERIES B BOND OWNERS

SECTION 7.01. *Remedies of Series B Bond Owners.* Any Series B Bond Owner has the right, for the equal benefit and protection of all Series B Bond Owners similarly situated:

- (a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution and in the Series B Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;
- (b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Series B Bond Owners' rights; or
- (c) upon the happening and continuation of any default by the District hereunder or under the Series B Bonds, by suit, action or proceeding in any court of competent jurisdiction, to require the District and its members and employees to account as if it and they were the trustees of an express trust.

SECTION 7.02. *Remedies Not Exclusive.* No remedy herein conferred upon the Owners of Series B Bonds is exclusive of any other remedy. Each and every remedy is cumulative and may be exercised in addition to every other remedy given hereunder or thereafter conferred on the Series B Bond Owners.

SECTION 7.03. *Non-Waiver.* Nothing in this Article VII or in any other provision of this Resolution or in the Series B Bonds, affects or impairs the obligation of the District, which is absolute and unconditional, to pay the principal of and interest on the Series B Bonds to the respective Owners of the Series B Bonds at the respective dates of maturity, as herein provided, or affects or impairs the right of action against the District, which is also absolute and unconditional, of such Owners to institute suit against the District to enforce such payment by virtue of the contract embodied in the Series B Bonds.

A waiver of any default by any Series B Bond Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner of any of the Series B Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Series B Bond Owners by this Article VII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners of the Series B Bonds.

If a suit, action or proceeding to enforce any right or exercise any remedy be abandoned or determined adversely to the Series B Bond Owners, the District and the

Series B Bond Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

ARTICLE VIII

AMENDMENT OF THIS RESOLUTION

SECTION 8.01. *Amendments Effective Without Consent of the Owners.* The Board may amend this Resolution from time to time, without the consent of the Owners of the Series B Bonds, for any one or more of the following purposes:

- (d) To make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Series B Bonds.

SECTION 8.02. *Amendments Effective With Consent of the Owners.* The Board may amend this Resolution from time to time for any purpose not set forth in Section 8.01, with the written consent of the Owners of a majority in aggregate principal amount of the Series B Bonds Outstanding at the time such consent is given. Without the consent of all the Owners of such Series B Bonds, no such modification or amendment shall permit (a) a change in the terms of maturity of the principal of any Outstanding Series B Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, (b) a reduction of the percentage of Series B Bonds the consent of the Owners of which is required to effect any such modification or amendment, (c) a change in any of the provisions in Section 7.01 or (d) a reduction in the amount of moneys pledged for the repayment of the Series B Bonds, and no right or obligation of any Paying Agent may be changed or modified without its written consent.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. *Benefits of Resolution Limited to Parties.* Nothing in this Resolution, expressed or implied, gives any person other than the District, the Counties, the Paying Agent and the Owners of the Series B Bonds, any right, remedy, claim under or by reason of this Resolution. The covenants, stipulations, promises or agreements in this Resolution are for the sole and exclusive benefit of the Owners of the Series B Bonds.

SECTION 9.02. *Defeasance of Series B Bonds.*

(a) Discharge of Resolution. Any or all of the Series B Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

- (i) by paying or causing to be paid the principal or redemption price of and interest on such Series B Bonds, as and when the same become due and payable;
- (ii) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem such Series B Bonds; or
- (iii) by delivering such Series B Bonds to the Paying Agent for cancellation by it.

If the District pays all Outstanding Series B Bonds and also pays or causes to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Series B Bonds have not been surrendered for payment, this Resolution and other assets made under this Resolution and all covenants, agreements and other obligations of the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 9.02(b). In such event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it under this Resolution which are not required for the payment or redemption of Series B Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Series B Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 9.02(c) hereof) to pay or redeem any Outstanding Series B Bond (whether upon or prior to its maturity or the redemption date of such Series B Bond), provided that, if such Series B Bond is to be redeemed prior to maturity, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for

the giving of such notice, then all liability of the District in respect of such Series B Bond shall cease and be completely discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Series B Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 9.02(d) shall apply in all events.

The District may at any time surrender to the Paying Agent for cancellation by it any Series B Bonds previously issued and delivered, which the District may have acquired in any manner whatsoever, and such Series B Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Series B Bonds, the money or securities so to be deposited or held may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

- (i) lawful money of the United States of America in an amount equal to the principal amount of such Series B Bonds and all unpaid interest thereon to maturity, except that, in the case of Series B Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Series B Bonds and all unpaid interest thereon to the redemption date; or
- (ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Series B Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Series B Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption has been given as provided in Section 2.03 or provision satisfactory to the Paying Agent has been made for the giving of such notice.

(d) Payment of Series B Bonds After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Series B Bonds and remaining unclaimed for two years after the principal of all of the Series B Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or two years after the date of deposit of such moneys if deposited after said date when all of the Series B Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however*, that before

the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Series B Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Series B Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof. Thereafter, the District shall remain liable to the Owners for payment of any amounts due on the Series B Bonds, which amounts shall be deemed to be paid by the District from moneys remitted to it by the Paying Agent under this subsection (d).

Except as otherwise herein expressly provided, the ownership of registered Series B Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Series B Bond shall bind all future Owners of such Series B Bond in respect of anything done or suffered to be done by the District or the Paying Agent in good faith and in accordance therewith.

SECTION 9.05. *Waiver of Personal Liability.* No Board member, officer, agent or employee of the District shall be individually or personally liable for the payment of the principal of or interest on the Series B Bonds; but nothing herein contained shall relieve any such Board member, officer, agent or employee from the performance of any official duly provided by law.

SECTION 9.06. *Limited Duties of Counties; Indemnification.* Notwithstanding anything stated to the contrary in this Resolution, the Series B Bonds are not a debt of the Counties, including their Boards of Supervisors, officers, officials, agents and employees,

The District further agrees to indemnify, defend and save the Counties (including their officers, agents and employees) harmless against any and all liabilities, costs, expenses, damages and claims which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

SECTION 9.07. *Destruction of Canceled Series B Bonds.* Whenever in this Resolution provision is made for the surrender to the District of any Series B Bonds which have been paid or canceled under the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Series B Bonds and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Series B Bonds therein referred to.

SECTION 9.08. *Partial Invalidity.* If any section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. 2. Repayment ratio for the bonds (the entire series of bonds).
Illustrative Option 1: 2.01x
Illustrative Option 2: 2.04x
3. Estimated change in assessed value ("AV") of taxable property within the District over the term of the bonds.
Fiscal year 2017-18: 3.50%; fiscal year 2018-19: 3.50%; and 3.50% annually thereafter.
4. Total overall cost of the CABs.
In Illustrative Option 1, the estimated principal amount of CABs is \$6,485,146 with an estimated debt service cost of \$14,775,000. This is a repayment ratio for the CABs of 2.28 to 1.
5. Comparison of #4 to overall cost if instead of CABs, the District issued CIBs.
The difference in the overall debt service cost is estimated at \$1,045,050 lower if the District utilized Illustrative Option 1 instead of Illustrative Option 2. Due to tax rate constraints under Proposition 39, Illustrative Option 1 is the only viable option for issuing the Bonds at this time.
6. Reason for recommending CABs.
CABs are being recommended to maintain the Proposition 39 maximum tax rate of \$60 per \$100,000 of AV for Measure X.
