

March 17, 2016

Dear Ms. Robin Ludmer, Ms. Laura Remer and Ms. Ellen Reed,

On behalf of the PAINTS Board of Directors, I am pleased to inform you that your grant request for \$500.00 for each PUSD elementary school site to purchase art-related books and audio-visual materials for your libraries has been approved.

For many years now, PAINTS has granted your request for funds to acquire arts-related materials for your libraries, and PAINTS appreciates your yearly grant report itemizing your purchases, and that you place a bookplate inside each book recognizing PAINTS.

As you mentioned in last year's report, "It is always a pleasure to focus specifically on these types of materials....., particularly as STEM has become STEAM, officially recognizing the importance of the arts in a school's curriculum."

Please let me know how you would like PAINTS to handle the payment of this grant, totalling \$1,500.00 for the three PUSD elementary schools.

Thank you for applying for a PAINTS grant. PAINTS greatly appreciates all that you do to support art education for the children of the Piedmont Unified School District.

Sincerely,

Hilary Davis  
PAINTS President and Grants Director
