HOW SHOULD I READ MY INVOICE:

Our new pricing method allows you to have an unlimited number of employees within your organization use our solutions, providing predictability for your budget even as you increase usage of the solutions. Because of this unlimited usage, product quantities are not listed on the invoice.

You'll see just one simple line item per product, and you will no longer see multiple line items per solution with variations to pricing based on different employee types. We trust this simplifies the reading of your invoice and makes it easier to do business with Frontline.
