
Policy updated to reflect state law prohibiting the collection of social security numbers or the last four digits of the social security numbers of students or their parents/guardians, unless otherwise required by law. Policy also reflects NEW LAW (AB 699) which prohibits districts from inquiring into students' citizenship or immigration status and the California Attorney General's model policy which provides that, under the limited circumstances when such information must be collected to comply with eligibility requirements for special state or federal programs, such information should be collected separately from the school enrollment process.
