

BERKELEY UNIFIED SCHOOL DISTRICT

RESOLUTION No. 18-035

Authorization to Award Contract for District Boiler Service & Repair Project #901.1902

WHEREAS, in accordance with Uniform Public Construction Cost Accounting procedures, bids were solicited for District Boiler Service & Repair Project #901.1902. Bids were opened on June 4, 2018 at 2:00pm, and the following bid was received and deemed qualified as follows:

<u>Contractor</u>	<u>Base Bid</u>
One Source Engineering	\$77,655

BACKGROUND INFORMATION

The Board first bid and awarded a project to provide annual service to our boilers in 2010. The Board approved the continuance of service with the same vendor for each of the subsequent two years. A new bid was approved in 2013 for a period of up to five years, provided that their unit prices or their base bid does not increase by more than 10%. Five years is as long as the District can rely on bid prices.

Four bidders were contacted and two attended the job walk, but only one bidder submitted a bid. This is probably due to both the robust economy and may be partially due to other potential bidders thinking that the current service provider had an inside track on the job. The project included a base bid and unit price alternates to pay for service calls and emergency response. The District is under no obligation to use these unit prices, but the prices are in keeping with the industry standards.

WHEREAS, One Source Engineering is the lowest bidder and is deemed to be responsive, responsible and qualified to complete the work according to the specifications in project number 901.1902 documents;

NOW, THEREFORE, BE IT RESOLVED that the bid of One Source Engineering, for the Total Base Bid in the amount of \$77,655 be accepted; and the Assistant Superintendent of Business Services and/or Purchasing Supervisor of this Board are hereby authorized to enter into a contract with said bidder for said amount in accordance with law.

PASSED AND ADOPTED by the Board of Education of the Berkeley Unified School District this 27th day of June 2018.
