# LCAP District Goals

1. All students will receive high quality instruction in CC and NGSS from highly qualified teachers in 21<sup>st</sup> Century Classrooms
2. Multiple Measures will be used to assess individual student academic growth achievement for all students
3. Students will receive sufficient and appropriate tiered support that promote and sustain their positive social/emotional development that enable them to learn and thrive in their classrooms
4. Parents will feel encouraged and invited to participate in their child's learning experiences both at school and at home.
