RE: 2018-2019 Intradistrict Attendance Agreement Report

There are 158 new "Intradistrict Attendance Agreements" in place as of September 26, 2018.

When a student is newly enrolled and the school of residence is full in a particular grade level, an "Overflow" form is completed and the student is sent to another district school. At the end of the school year overflow students are returned to their school, unless the school of residence remains impacted or the student wishes to remain the overflow school, and then an Application for Intradistrict Attendance must be completed.

There are 22 "Overflow" agreements in place as of September 26, 2018.
