

# Master Facility Planning Facilities Subcommittee

October 3, 2018

## Agenda

- Status Update
  - Guiding Principles
  - District Interviews
  - Campus Physical Assessments
  - Campus Site Interviews

# A MASTER FACILITY PLAN IS

BERKELEY UNIFIED SCHOOL DISTRICT

## GUIDING PRINCIPLES

**To serve as a guide, the master facilities plan and individual projects within the plan must:**

- Be developed in accordance with Board approved design standards criteria
- Be achievable with reasonably anticipated available funds
- Promote equity across the District
- Incorporate the needs of a diverse student body

# A MASTER FACILITY PLAN IS

BERKELEY UNIFIED SCHOOL DISTRICT

## GUIDING PRINCIPLES

**The following criteria will be used as a metric for determining the priority of any given project as developed during the master planning process. Does the project:**

- Improve teaching and learning opportunities?
- Improve campus safety while also creating a welcoming environment?
- Correct infrastructure deficiencies?
- Correct operational deficiencies?
- Expand options for project-based learning and/or education focused on career development?
- Advance the District's sustainability goals?
