Dear Ms. Hendricks:

The California School Boards Association would like to thank you for submitting your entry, **Sylvan STEAM Academy**, to the 2018 Golden Bell Awards Program.

The judges reviewed 240 entries received this year. Selecting the award winners was a difficult task, because of the many outstanding and noteworthy programs. Although your entry was not among those selected to advance to the on-site validation phase this year, we do appreciate your time and interest in this award and hope you will consider applying again next year.

Postcards for the 2019 Golden Bell Awards Program will be mailed in March to all board presidents, superintendents, executive assistants and directors of curriculum. Or you may visit the website at gb.csba.org for application details as well as to complete a 2019 Golden Bell Awards application. If you have any questions, please contact Lisa Hutson, Coordinator, Golden Bell Awards program at (800) 266-3382 ext. 3358 or email lhutson@csba.org.

Sincerely,

Lisa Hutson
