Education Foundation
of Stanislaus County

October 4, 2018

Scott Ferreira, Principal
Somerset School (#740)

Dear Scott Ferreira,

The Board of the Education Foundation of Stanislaus County is committed to increasing the opportunities for sixth graders to attend outdoor school at Foothill Horizons. The Board sets aside funds each year to provide financial assistance to schools in order to make outdoor school available to more students.

The Board's Outdoor Education Committee is pleased to have approved your request for funds in the amount of \$ 2500 to help your sixth graders attend Foothill Horizons Outdoor School in 2018-19 school year.

We believe that every student should make a financial commitment by contributing towards his/her trip to outdoor school in some amount, however small. The Committee commends the efforts your sixth grade students, staff, parents and volunteers have made in raising funds. The intent of this grant is to supplement your work and make it possible for more students to attend outdoor school.

The Committee makes an annual report to the full board of the Education Foundation, listing the grant recipients, the grant amounts and the effectiveness in making outdoor education available to a growing number of students.

In the near future the Stanislaus County Office of Education will process your check. The Education Foundation Board is pleased to provide your school with this financial assistance. If you have questions, please call Jessica Hewitt at 532-6673.

Sincerely,

Lisa Tiwater, Assistant Superintendent
of Instructional Support Services,
Stanislaus County Office Of Education

CC: ~~Debra Hendricks, District Superintendent (#435)~~
Kurtis Carr, Business Services/SCOE
