

STAFF REPORT

TO: Board President and Trustees

FROM: Elia R. Sagasta, Director

DATE: November 5, 2018

SUBJECT: 95% Professional Learning

Recommendation:

The recommendation is to approve the amended 95% Group Inc. contract to approve two additional days of training for general education teachers, special education teachers and paraprofessionals. The increase in participating staff will allow for a lower student to teacher ratio during the intervention block.

Discussion:

The 95% Group Inc. will continue to provide one consultant in Year 2 of implementation for grades Kinder – 3rd grade (including 4th grade at Sequoia Elementary only) to support site principals and teachers with onsite coaching and follow up at each elementary school site by analyzing data, establishing student groups, modeling lessons for teachers, observing teachers, identifying trouble spots and setting SMART goals for next steps. Initial training will also be provided early in the school year for new staff.

The recommendation is to approve the amended contract for professional development between the Richland School District and the 95% Group Inc.

Fiscal Impact:

Professional service fee \$6,000 and materials \$595.73; total expenses \$6,595.73

Follow-up for Staff:

Contract requires superintendent signature, provide the signed contract to Vanessa to create a purchase order for the two additional days: December 5, 2018 (K-3rd grades) & December 6, 2018 (4th-6th grades), provide Elia Sagasta with a copy of the signed contract.
