

BP xxx**Menstrual Products in District Schools**

Every secondary school shall stock at least 50% of its restrooms with tampons and sanitary napkins at all times.

Every elementary school shall stock at least one of its bathrooms with tampons and sanitary napkins at all times.

A school shall not charge for any menstrual products provided to pupils.

Every girls' bathroom, and every gender neutral bathroom, used by students over the age of seven shall have a trash receptacle inside every stall.

This policy shall be implemented by the beginning of the 2019-2020 school year.
