

The Achievement Initiative

End-of-Year Report

2017/2018

San Mateo-Foster City School District

**Presented by: Lacy Collum,
Intervention Manager**

Absences Have Long-Lasting Effects

- 83% of students chronically absent in kindergarten and first grade **cannot read on-level by third grade**
- Students not reading on-level by third grade are **4X more likely to drop out**
- High school dropouts are **8X more likely to be incarcerated** than people with high school diplomas

Communicating Across the Organization

Data that drives action.

Delivered by your A2A Service Team

- Status Reports delivered at the mid and end of year

A2A Reports – available on demand inside A2A and updated with each letter run

- Attendance Summary Report
- Individual site reports with student level detail
- Letter Reports
- Interactive Reports
- Chronic Absenteeism
- Attendance Analysis
- Conference Detail Report

7 A2A Communiqués

- District-specific performance on conferencing and suppression

Ad Hoc Reports

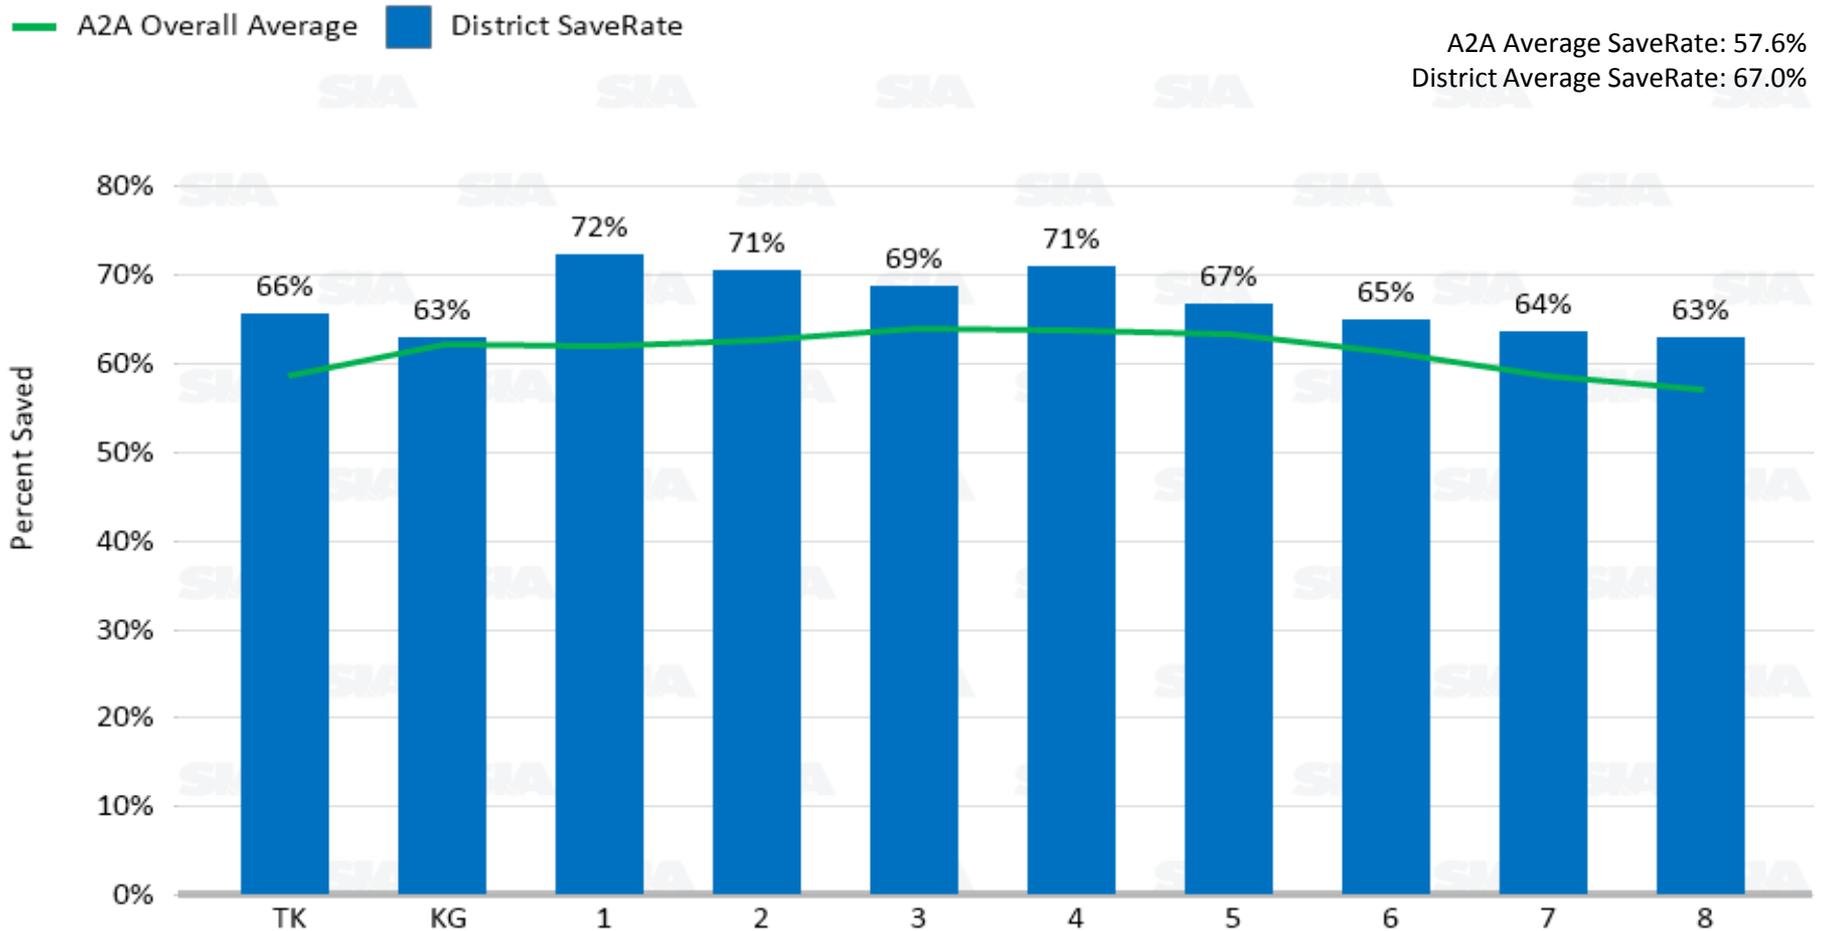

- Available Upon Request

Trainings and Service Team Support

- 7 web-based and in-person training sessions
- Over 85 documented communication touch-points with your A2A Service Team
- Reminders
- Help Desk assistance
- Updates and interventions

2017-18 Overall SaveRate vs. A2A Average

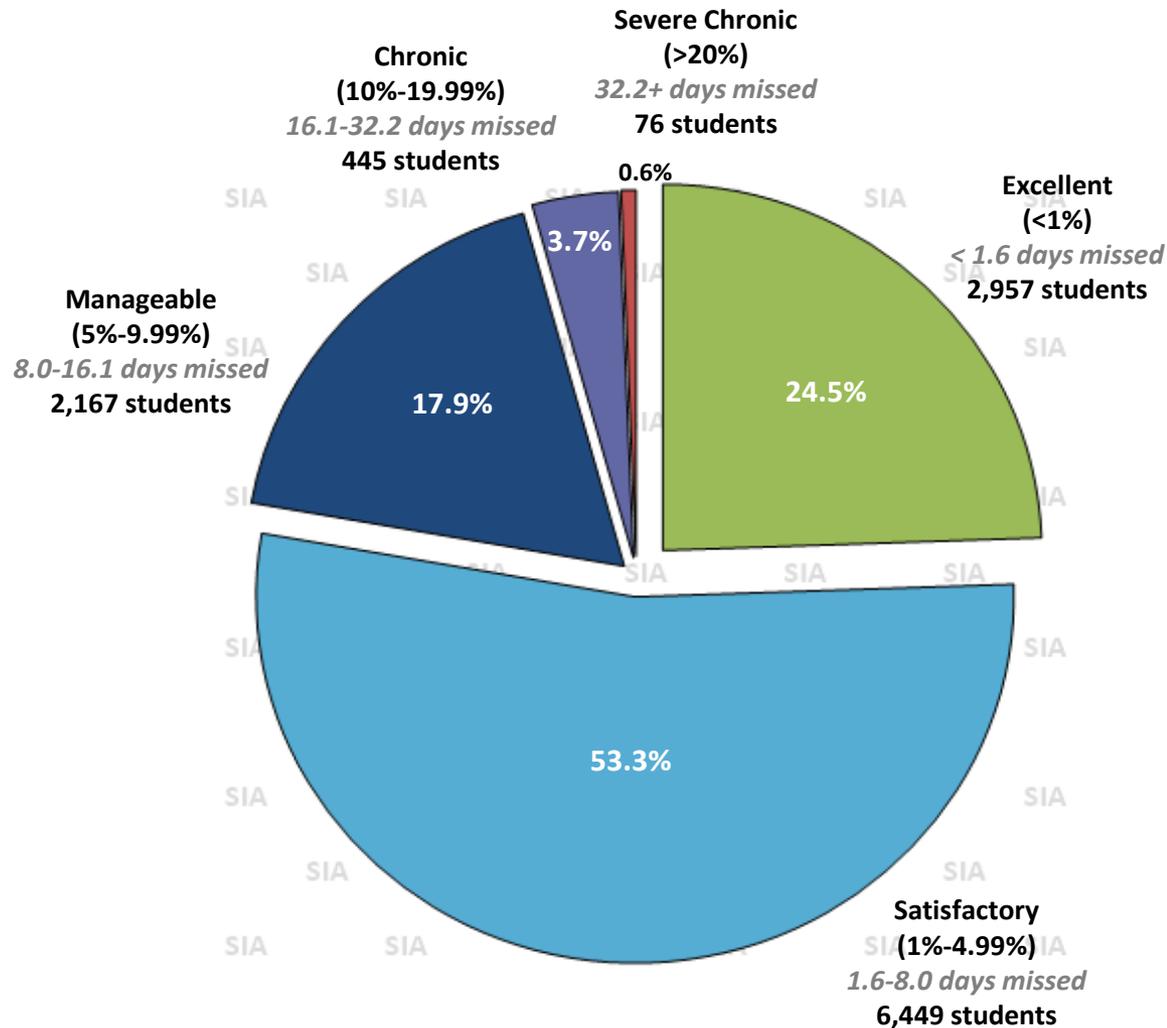

The higher, the better.

SaveRATE: Defined as the percent of students that **do not continue on a path toward chronic absenteeism** after an A2A intervention

Data as of 6/21/2018

2017-18 Total Absence Summary

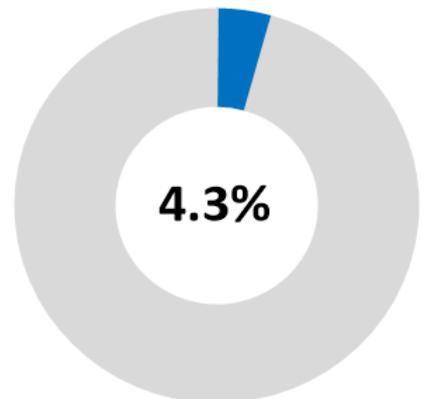

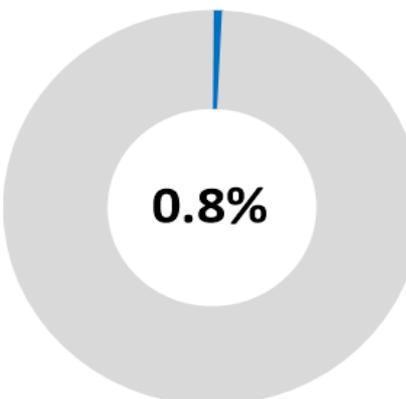

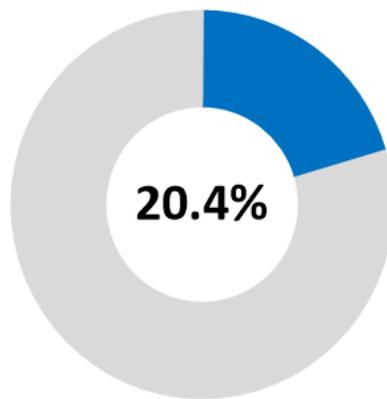

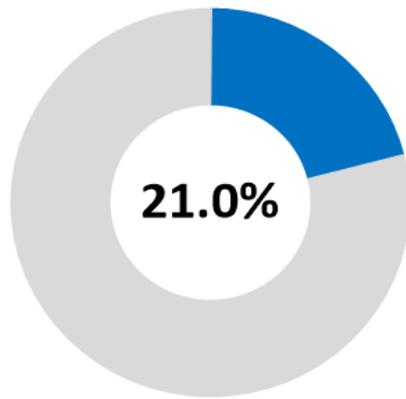

- 77.77% (9,406) of your students fall in the Excellent and Satisfactory groups.
- 22.23% (2,688) of your students have missed more than 8.0 days of school.

Data as of 6/21/2018

2017-18 Total Absence Rates

A2A Truancy Rate	EEA Rate	A2A Chronic Truancy Rate	Chronic Rate
------------------	----------	--------------------------	--------------

2,536 out of 12,094 students	2,468 out of 12,094 students	92 out of 12,094 students	521 out of 12,094 students
------------------------------	------------------------------	---------------------------	----------------------------

Missed 3+ full days of unexcused absences.

Missed 7+ full days of excused absences.

Missed 10% or more for unexcused absences.

Missed 10% or more for all absences.

Data as of 6/21/2018

State of Attendance 2017-18

Before we look at our year-over-year data...

Factors impacting attendance statewide and nationwide

Political Climate:
Immigration
concerns or fears
(ICE/DACA)

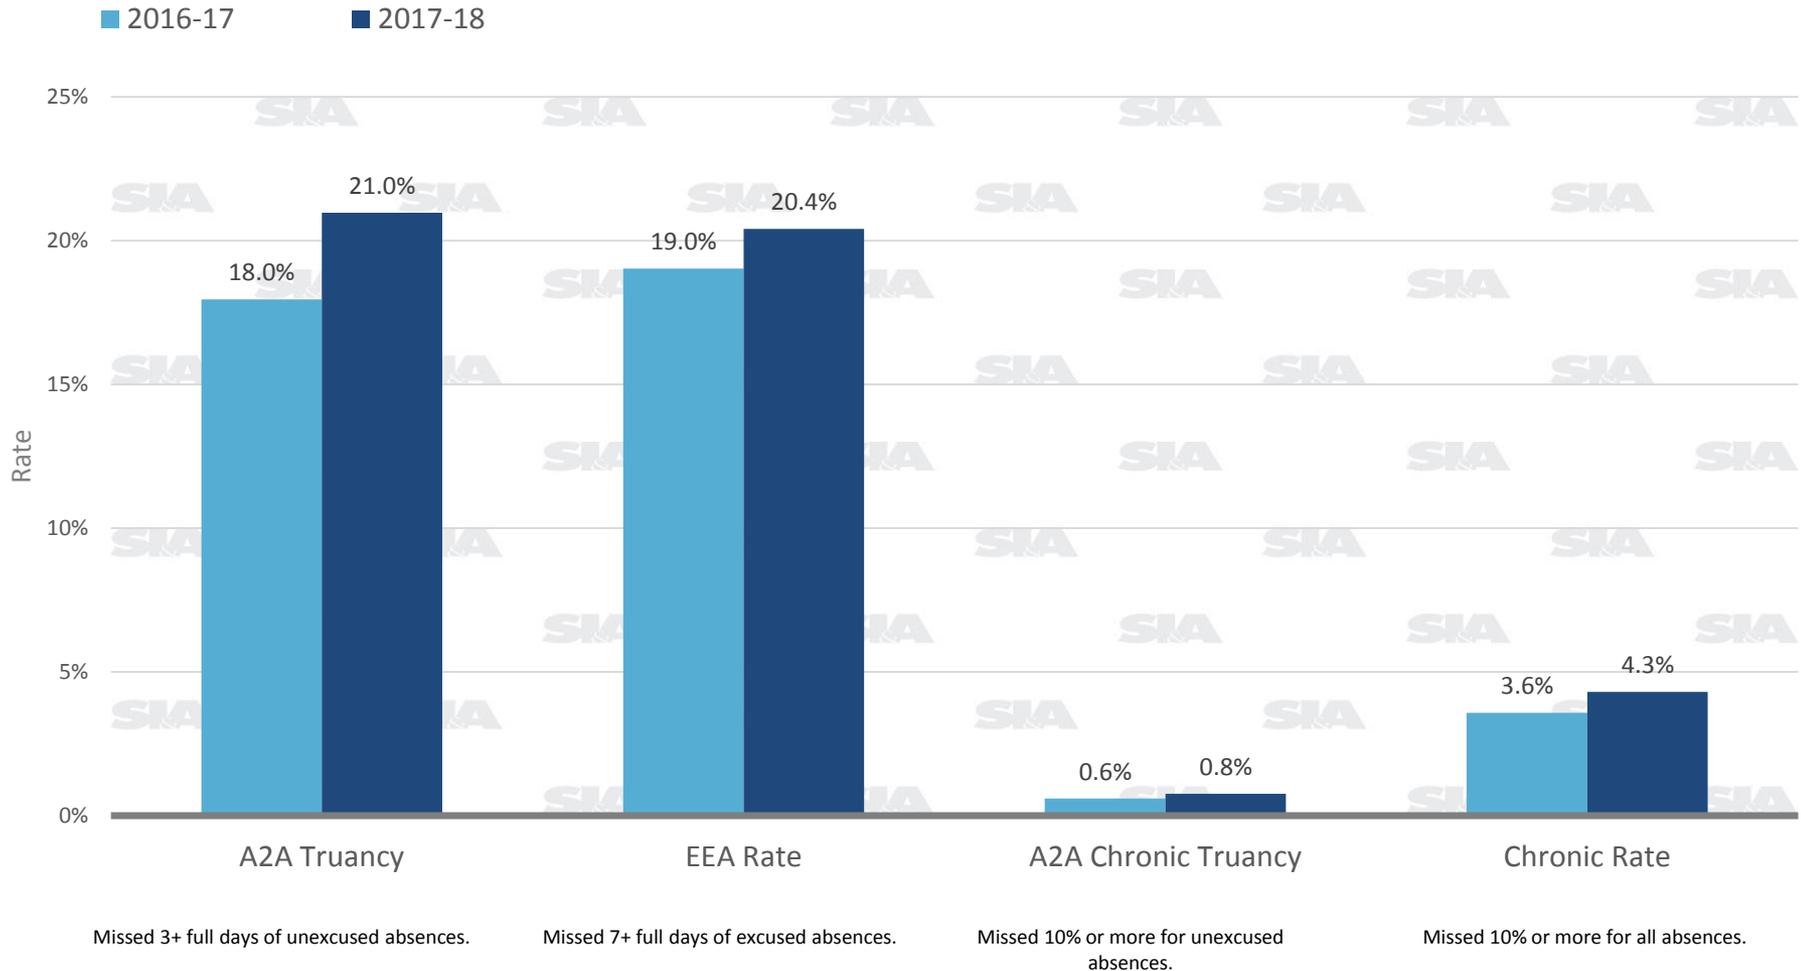

Weather:
Flooding, fires,
smoke/air quality

Illness:
Flu outbreaks,
norovirus

School Safety:
