2018-19 District Reopener Proposal for Castaic Teachers Association (CTA)

The District looks forward to negotiating the collective bargaining agreement with the Castaic Teachers Association during the 2018-19 school year. Article 16 of Collective Bargaining agreement outlines the term and process for re-opening process.

CTA has asked to reopen Article 5: Compensation; Article 6: Class Size; Article 14: Concerted Activity; Calendar; and all MOU's.

In addition to the above articles, the district will open Article 4: Hours of Work. The primary purpose is to discuss district wide professional development and planning time.

In the spirit of collaboration, additional articles may be reopened as mutually agreed upon by both parties. CUSD reserves the right to freely submit alternative proposals with amendments or alterations to the aforementioned articles.
