Education Equity Audit: Advancing Equitable Outcomes for College & Career Readiness in SRCS

Sarah Feldman, Ed.D. December 17, 2018

Equity means recognizing the historical and systemic disparities in opportunities and outcomes

and providing the resources necessary to address those disparities and ultimately dismantling the systemic barriers.

A graphic reminder of why educational success for all is more important than ever

- Bachelor's degree or higher: gained jobs during recession, gained most jobs in recovery.
- Associate's/some college: lost jobs in recession, gained jobs later in recovery.
- H.S. diploma or less: lost most jobs in recession, did not regain those jobs in recovery.
