

**SYLVAN UNION SCHOOL DISTRICT
FISCAL YEAR 2019-20 BUDGET ASSUMPTIONS
DRAFT**

PURPOSE:

Multi-year projections (MYP) are the mathematical result of today’s decisions based on a given set of assumptions. MYP’s are expected to change as various factors are updated and revised. Projections will change any time the underlying factors and assumptions are modified, therefore, we must plan and prepare to make changes as conditions and situations change.

The assumptions described below are implemented in the latest MYP. The primary sources of these assumptions are the approved State Budget, California Department of Education, Department of Finance, School Services of California’s Financial Projection Dart board, other external sources and organizations, and of course the District’s historical trends.
