Organization's Purpose

The vision and purpose of the Paso Robles FFA Boosters is to create life-changing experiences and foster limitless opportunities for the youth of Paso Robles High School FFA. Our goal is to link students with opportunities and resources that facilitate their path to premier leadership, personal growth and career success.

Annual Objectives

One of the main objectives for the new school year is to continue connecting our parents, students, and community in collaboration, fellowship and fundraising. Our goal is to help bridge the gap from PRHS to community and business partnerships. We also hope to begin interfacing with the Chamber of Commerce and other organizations to build alliances that will serve to support the FFA program as well as the Paso Robles community at large.
